

CERTIFICATE OF RECOGNITION

Presented to

Cindy Biesemeyer

You arrived, with your family, in San Benito County, on July 4th 1983-for your life here has been a celebration for those who have participated in the Organizations and Board you had lead, the faith community you have devoted yourself to, the many entrepreneurial ventures you have engaged in, and for serving as a significant force in the advancement of the Women's Movement through your avid devotion to PEO, the Women's Club of Hollister and District level of Loma Prieta District – Area B. You have inspired women, challenged women, educated women, and moreover, have always been there to assist women in embracing the California Federation of Women's Clubs'.

“A Legacy of Strength” and “A Spirit of Hope”

In Appreciation of your Outstanding Dedication and Commitment, then, we'll say “Farewell”
