Dear Mr. Chambless,

Attached is a map showing the area of our property that the County will grant the City of Hollister Airport an occupancy restriction for the 2016 Hollister Airshow on June 15, 16 and 17th from 11 am to 3 pm. I understand that neither I nor anyone will be able to access that portion of the property during those times on those days. I do ask that the County be shown as a sponsor of the Airshow for 2016.

For your background, we will be proceeding with construction of the Main Jail this summer and the area of construction will include a large portion of the restricted area. This year we will ensure that the contractor is out of that area, however in future years we will not be able to grant this same approval as the building will be occupied by inmates and staff. I would suggest that you begin the planning for 2017 now to prevent a surprise next year.

Sincerely,

Brent Barnes
Resource Management Agency Director
