The CONTRACTOR offers and agrees to assign to the COUNTY all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Section 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services, or materials pursuant to this contract. This assignment shall be made and become effective at the time the COUNTY tenders final payment to the CONTRACTOR, without further acknowledgment by the parties.

D-12. BONDS

If required, the CONTRACTOR shall file with the COUNTY the following bonds satisfactory to the COUNTY in the amounts and for the purposes noted. Bonds shall be approved as to form by the COUNTY, duly executed by a responsible corporate surety as principal, authorized to issue such bonds in the State of California, and secured through an authorized agent with an office in California. The CONTRACTOR shall pay all bond premiums, costs and incidentals.

D-12.1 PERFORMANCE BOND: For contracts in excess of \$25,000, within ten (10) days of the execution of the contract, the CONTRACTOR shall furnish the COUNTY, at the CONTRACTOR'S expense, a Faithful Performance Bond in an amount equal to one hundred percent (100%) of the total CONTRACT PRICE.

D-12.2 PAYMENT BOND: For public works contracts in excess of \$25,000, within ten (10) days of the execution of the contract, the CONTRACTOR shall furnish the COUNTY, at the CONTRACTOR'S expense, a Payment Bond in an amount equal to one hundred percent (100%) of the total CONTRACT PRICE to guarantee the payment of wages, and bills contracted for materials, supplies, or equipment used in the performance of the contract. The bond shall be in accordance with the provisions of Sections 3225, 3226, and 3247 through 3252 inclusive, of the California Civil Code, and Section 13020 of the California Unemployment Insurance Code. Said bond shall also contain a provision that the surety thereon waives the provisions of Sections 2819 and 2845 of the California Civil Code.

D-13. INSURANCE

D-13.1 Without limiting the CONTRACTOR'S duty to indemnify the COUNTY, the CONTRACTOR shall comply with the insurance coverage requirements set forth in paragraph 6 of this contract. Required insurance policies shall satisfy the following requirements:

- (a) The CONTRACTOR shall purchase and maintain such insurance as will protect it from claims set forth below which may arise out of, or result from the CONTRACTOR'S execution of the WORK, whether such execution be by the CONTRACTOR, any SUBCONTRACTOR, or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable:
 - (1) Claims under worker's compensation, disability benefit and other similar employee benefit acts;
 - (2) Claims for damages because of bodily injury, occupational sickness or disease, or death of employees;

- (3) Claims for damages because of bodily injury, sickness or disease, or death of any person other than employees;
 - (4) Claims for damages insured by usual personal injury liability coverage which are sustained (1) by any person as a result of an offense directly or indirectly related to the employment of such person by the CONTRACTOR, or (2) by any other person; and
 - (5) Claims for damages because of injury to or destruction of tangible property, including loss of use resulting there from.
- (b) Each policy shall be issued by admitted insurers rated by A.M. Best Co. as A:VII or higher, by a company authorized by law to transact business in the State of California. Lower rate, or approved but not admitted insurers, may be accepted with the COUNTY'S prior written approval.
 - (c) Each required policy shall be endorsed by the insurance company (not the agent) to modify the policy to include San Benito County, its officers, agents, and employees as additional insured, and to provide the COUNTY with thirty (30) calendar days prior written notice of cancellation. Additionally, the COUNTY shall be provided written notice at least thirty (30) days in advance of any other change or non-renewal thereof. The insurance shall apply separately to each insured or additional insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability. The COUNTY is not liable for the payment of premiums or assessments on the policy.
 - (d) The required coverage shall be maintained in effect throughout the term of this contract. No cancellation provisions in the insurance policy shall be construed in derogation of the CONTRACTOR'S continuing duty to furnish insurance during the term of the contract.
 - (e) These requirements assume that the standard insurance policy forms, terms, and conditions will apply to cover the expected risk exposures for the intended "Scope of Work". Additional qualifying policy conditions or special endorsements may be specified in the CONTRACT DOCUMENTS depending on the final "Scope of Work".
 - (f) The CONTRACTOR shall include all SUBCONTRACTORS performing WORK under this contract as insured under its policies or shall require all SUBCONTRACTORS to obtain substantially the identical insurance coverage required of the CONTRACTOR pursuant to this contract and shall provide the COUNTY with Certificates of Insurance for each SUBCONTRACTOR. All coverage for SUBCONTRACTORS shall be subject to all of the requirements stated herein.

D-13.2 If required by paragraph 6 of this contract, the CONTRACTOR shall procure and maintain in full force and effect, at the CONTRACTOR'S own expense, and in case any WORK is sublet, the CONTRACTOR shall require such SUBCONTRACTOR similarly to procure and maintain in full force and effect, at the CONTRACTOR'S or SUBCONTRACTOR'S own expense, during the term of this contract, insurance policies as hereinafter specified, with policy limits of coverage specified in paragraph 6 of this contract:

- (a) The CONTRACTOR'S comprehensive general and excess public liability and property damage insurance, including vehicle coverage, issued to the CONTRACTOR and protecting the CONTRACTOR from all claims for personal injury, including death, and all claims for destruction of or damage to property, arising out of or in connection with any operations under the CONTRACT DOCUMENTS, whether such operations be by the CONTRACTOR or by any SUBCONTRACTOR employed by the CONTRACTOR or anyone directly or indirectly employed by the CONTRACTOR or by a SUBCONTRACTOR employed by the CONTRACTOR, and shall provide an endorsement naming the COUNTY and its officers, agents and employees as additional insureds. The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11 85 or CG 20 10 07 04 in tandem with CG 20 37 07 04.
- (b) The CONTRACTOR shall acquire and maintain professional liability insurance with liability limits of not less than the amount set out in paragraph 6 of this contract.
- (c) The CONTRACTOR shall acquire and maintain Fire and Extended Coverage insurance upon the PROJECT to the full insurable value thereof for the benefit of the COUNTY, the CONTRACTOR, and SUBCONTRACTORS as their interest may appear. This provision shall in no way release the CONTRACTOR or the CONTRACTOR'S surety from obligations under the CONTRACT DOCUMENTS to fully complete the PROJECT.
- (d) The CONTRACTOR shall secure "All Risk" type Builder's Risk Insurance for WORK to be performed. Unless specifically authorized by the COUNTY, the amount of such insurance shall not be less than the CONTRACT PRICE totaled in the BID. The policy shall cover not less than the losses due to fire, explosion, vehicle damage, theft, flood, earthquake, civil commotion, hail, lightning, vandalism, malicious mischief, wind, collapse, riot, aircraft, and smoke during the CONTRACT TIME, and until the WORK is accepted by the COUNTY. The policy shall name the COUNTY as an additional insured.
- (e) The CONTRACTOR shall acquire and maintain Environmental Impairment Pollution Liability Insurance upon the PROJECT to the full insurable value thereof for the benefit of the COUNTY, the CONTRACTOR, and SUBCONTRACTORS as their interest may appear. This provision shall in no way release the CONTRACTOR or the CONTRACTOR'S surety from obligations under the CONTRACT DOCUMENTS to fully complete the PROJECT or to repair or remediate environmental damage or pollution.

- (f) The CONTRACTOR shall acquire and maintain automotive liability insurance with liability limits of not less than the amount set out in paragraph 6 of this contract. If the CONTRACTOR elects to deliver products to the COUNTY using a common carrier that is not related to the CONTRACTOR'S business entity, the CONTRACTOR may request waiver of the automobile insurance requirements for delivery by the common carrier.

D-13.3 In accordance with section 3700 of the Labor Code, the CONTRACTOR shall procure and maintain, at the CONTRACTOR'S own expense, during the CONTRACT TIME, worker's compensation insurance, including Employers' Liability limits and occupational disease provisions, for all of the CONTRACTOR'S employees at the site of the PROJECT, either through worker's compensation insurance issued by an insurance company or through a plan of self-insurance certified by the State Director of Industrial Relations. In case any WORK is sublet, the CONTRACTOR shall require such SUBCONTRACTOR similarly to provide worker's compensation insurance, including Employer's Liability limits and occupational disease provisions for all of the latter's employees unless such employees are covered by the protection afforded by the CONTRACTOR. The policies shall be endorsed to waive insurer's subrogation rights against the COUNTY. In case any class of employees engaged in hazardous WORK under this contract at the site of the PROJECT is not protected under the worker's compensation statutes, the CONTRACTOR shall provide, and shall cause each SUBCONTRACTOR to provide, adequate and suitable insurance for the protection of its employees not otherwise protected. If the CONTRACTOR or any SUBCONTRACTOR elects to be self-insured, the Certificates of Insurance otherwise required by this contract shall be replaced with a consent to self-insure by the State Director of Industrial Relations. If the CONTRACTOR elects to deliver products to the COUNTY using a common carrier that is not related to the CONTRACTOR'S business entity, the CONTRACTOR may request waiver of the workers' compensation insurance requirements for delivery by the common carrier.

D-13.4 Prior to commencement of WORK by the CONTRACTOR or any SUBCONTRACTOR and prior to any obligation by the COUNTY, the CONTRACTOR shall file Certificates of Insurance acceptable to the COUNTY, showing that the CONTRACTOR and all SUBCONTRACTORS have in effect the insurance required by this contract. The certificates shall contain a provision that coverage afforded under the policies will not be canceled unless at least 15 days prior written notice has been given to the COUNTY. The CONTRACTOR shall file a new or amended certificate promptly after any change is made in any insurance policy that would alter the information on the certificate then on file. In lieu of providing proof of insurance, the CONTRACTOR may provide proof of self-insurance meeting requirements equivalent to those imposed herein. The CONTRACTOR shall warrant that the CONTRACTOR'S or SUBCONTRACTOR'S self-insurance provides substantially the same protection to the COUNTY as the insurance required herein. The CONTRACTOR further agrees to notify the COUNTY in the event any change in self-insurance occurs that would alter the obligations undertaken in this contract within 15 days of such change.

D-14. PROTECTION OF WORK, PROPERTY, AND PERSONS

- D-14.1 The CONTRACTOR will be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the WORK. The CONTRACTOR will take all necessary precautions for the safety of, and will provide the necessary protection to prevent damage, injury or loss to all employees on the worksite and other persons who may be affected thereby, all the WORK and all materials or equipment to be incorporated therein, whether in storage on or off the site, and other property at the site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of construction.
- D-14.2 The CONTRACTOR will comply with all applicable laws, ordinances, rules, regulations and orders of any public body having jurisdiction. The CONTRACTOR will erect and maintain, as required by the conditions and progress of the WORK, such temporary walls, fences, guardrails, barricades, lights, danger signs, enclosures and/or all other necessary safeguards for safety and protection, as may be required during site preparation and all phases of construction, and shall maintain such safeguards until all WORK is completed. The CONTRACTOR will notify the COUNTY of adjacent utilities when prosecution of the WORK may affect them. The CONTRACTOR will remedy all damage, injury or loss to any property caused, directly or indirectly, in whole or part, by the CONTRACTOR, any SUBCONTRACTOR or anyone directly or indirectly employed by any of them or anyone for whose acts of any of them will be liable, except damage or loss attributable to the fault of the CONTRACT DOCUMENTS or to the acts or omissions of the COUNTY and not attributable, directly or indirectly, in whole or in part, to the fault or negligence of the CONTRACTOR.
- D-14.3 In emergencies affecting the safety of persons or the WORK or property at the site or adjacent thereto, the CONTRACTOR, without special instructions or authorization from the COUNTY'S Contract Administrator or the COUNTY, shall act to prevent threatened damage, injury or loss. The CONTRACTOR will give the COUNTY'S Contract Administrator prompt written notice of any significant changes in the WORK or deviations from the CONTRACT DOCUMENTS caused thereby, and a change order shall thereupon be issued covering the changes and deviations involved.
- D-14.4 The CONTRACTOR shall replace all items received by the COUNTY that are damaged due to the CONTRACTOR'S negligence. Existing construction, equipment, plantings, etc. damaged by the CONTRACTOR, in the performance of the WORK, shall be replaced or repaired and restored to original condition by the CONTRACTOR.
- D-14.5 The CONTRACTOR shall, at all times, keep the premises clean from accumulation of waste materials or rubbish caused by the CONTRACTOR'S employees or WORK and shall remove all resulting WORK debris from the job site.

D-15. INSPECTIONS AND TESTING

- D-15.1 All materials and equipment used in the construction of the PROJECT shall be subject to adequate inspection and testing in accordance with generally

accepted standards, as required and defined in the CONTRACT DOCUMENTS.

- D-15.3 The CONTRACTOR shall provide at the CONTRACTOR'S expense the testing and inspection services required by the CONTRACT DOCUMENTS.
- D-15.4 If the CONTRACT DOCUMENTS, laws, ordinances, rules, regulations or orders of any public authority having jurisdiction require any WORK to specifically be inspected, tested, or approved by someone other than the CONTRACTOR, the CONTRACTOR will give the COUNTY'S Contract Administrator timely notice of readiness. The CONTRACTOR will then furnish the COUNTY'S Contract Administrator with the required certificates of inspection, testing or approval.
- D-15.5 Inspections, tests, or approvals by the COUNTY'S Contract Administrator or others shall not relieve the CONTRACTOR from the obligations to perform the WORK in accordance with the requirements of the CONTRACT DOCUMENTS.
- D-15.6 The COUNTY'S Contract Administrator will at all times have access to the WORK. In addition, authorized representatives and agents of any participating Federal or State agency shall be permitted to inspect all WORK, materials, payrolls, records on personnel, invoices of materials, and other relevant data and records. The CONTRACTOR will provide proper facilities for such access and observation of the WORK and also for any inspection or testing thereof.
- D-15.7 If any WORK is covered contrary to the written instructions of the COUNTY'S Contract Administrator it must, if requested by the COUNTY'S Contract Administrator, be uncovered for the COUNTY'S Contract Administrator's observation and replaced at the CONTRACTOR'S expense.
- D-15.8 If the COUNTY'S Contract Administrator considers it necessary or advisable that covered WORK be inspected or tested by others, the CONTRACTOR, at the COUNTY'S Contract Administrator's request, will uncover, expose or otherwise make available for observation, inspection or testing as the COUNTY'S Contract Administrator may require, that portion of the WORK in question, furnishing all necessary labor, materials, tools, and equipment. If it is found that such WORK is defective, the CONTRACTOR will bear all the expenses of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction; if, however, such WORK is not found to be defective, the CONTRACTOR will be allowed an increase in the CONTRACT PRICE or an extension of the CONTRACT TIME, or both, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction and an appropriate change order shall be issued.
- D-15.9 A pre-final inspection of the WORK will be made by the COUNTY'S Contract Administrator and project inspector. This inspection shall be made as soon as practical after the CONTRACTOR has notified the COUNTY in writing that the WORK is ready for this inspection. The pre-final inspection shall be made prior to acceptance of any portion of the WORK as being substantially complete and prior to filing of the Notice of Completion.

- D-15.10 A final inspection of all the WORK will be made by the COUNTY'S Contract Administrator and the CONTRACTOR prior to acceptance of the WORK.
- D-15.11 Forty-eight hours prior to WORK being accomplished, the CONTRACTOR will notify the COUNTY'S Contract Administrator of the proposed working hours to accomplish the WORK for that day. Work may be accomplished on weekends or holidays only if the CONTRACTOR provides prior notification, the COUNTY'S Contract Administrator approves the request, and the CONTRACTOR pays for the additional amount for holiday or overtime inspection costs beyond the normal hourly inspection rates for weekdays.

D-16. SURVEYS, PERMITS, AND REGULATIONS

- D-16.1 The COUNTY shall furnish all boundary surveys and establish all baselines for locating the principal component parts of the WORK together with a suitable number of benchmarks adjacent to the WORK as shown in the CONTRACT DOCUMENTS. From the information provided by the COUNTY, unless otherwise specified in the CONTRACT DOCUMENTS, the CONTRACTOR shall develop and make all detail surveys needed for construction such as slope stakes, batter boards, stakes for pipe locations and other working points, lines, elevations and cut sheets.
- D-16.2 The CONTRACTOR shall carefully preserve bench marks, reference points and stakes and, in case of willful or careless destruction, shall be charged with the resulting expense and shall be responsible for any mistake that may be caused by their unnecessary loss or disturbance.
- D-16.3 Permits and licenses of a temporary nature necessary for the prosecution of the WORK shall be secured and paid for by the CONTRACTOR unless otherwise specified. Permits, licenses and easements for permanent structures or permanent changes in existing facilities shall be secured and paid for by the COUNTY, unless otherwise specified. The CONTRACTOR shall give all notices and comply with all laws, ordinances, rules and regulations bearing on the conduct of the WORK as drawn and specified. If the CONTRACTOR observes that the CONTRACT DOCUMENTS are at variance therewith, the CONTRACTOR shall promptly notify the COUNTY'S Contract Administrator in writing, and any necessary changes shall be adjusted as provided in paragraph D-25 of this contract.

D-17. PATENTS

The CONTRACTOR shall pay all applicable royalties and license fees, and shall defend all suits or claims for infringement of any patent rights and save the COUNTY harmless from loss on account thereof, except that the COUNTY shall be responsible for any such loss when a particular process, design, or product of a particular manufacturer or manufacturers is specified; however, if the CONTRACTOR has reason to believe that the design, process or product specified is an infringement of a patent, the CONTRACTOR shall be responsible for such loss unless the CONTRACTOR promptly gives such information to the COUNTY'S Contract Administrator.

D-18. SUPERVISION BY CONTRACTOR; INDEPENDENT CONTRACTOR

- D-18.1 The CONTRACTOR will supervise and direct the WORK. The CONTRACTOR will be solely responsible for the means, methods, techniques, sequences and

procedures of construction. The CONTRACTOR will employ and maintain on the WORK a qualified supervisor or superintendent who shall have been designated in writing by the CONTRACTOR as the CONTRACTOR'S representative at the site. The supervisor shall have full authority to act on behalf of the CONTRACTOR and all communications given to the supervisor shall be as binding as if given to the CONTRACTOR. The supervisor shall be present on the site at all times as required to perform adequate supervision and coordination of the WORK.

D-18.2 The CONTRACTOR and its officers and employees, in the performance of this contract, are independent contractors in relation to the COUNTY and not officers or employees of the COUNTY. Nothing in this contract shall create any of the rights, powers, privileges or immunities of any officer or employee of the COUNTY. The CONTRACTOR shall be solely liable for all applicable taxes or benefits, including, but not limited to, federal and state income taxes, Social Security taxes, or ERISA retirement benefits, which taxes or benefits arise out of the performance of this contract. The CONTRACTOR further represents to the COUNTY that the CONTRACTOR has no expectation of receiving any benefits incidental to employment.

D-19. SUBCONTRACTING

D-19.1 The CONTRACTOR may utilize the services of specialty subcontracts on those parts of the WORK which, under normal contracting practices, are performed by specialty SUBCONTRACTORS.

D-19.2 The CONTRACTOR shall not award WORK to SUBCONTRACTOR(S), in excess of fifty (50%) percent of the CONTRACT PRICE, without prior written approval of the COUNTY.

D-19.3 The CONTRACTOR shall be fully responsible to the COUNTY for the acts and omissions of its SUBCONTRACTORS, and of persons either directly or indirectly employed by them, as the CONTRACTOR is for the acts and omissions of persons directly employed by the CONTRACTOR.

D-19.4 The CONTRACTOR shall cause appropriate provisions to be inserted in all subcontracts relative to the WORK to bind SUBCONTRACTORS to the CONTRACTOR by the terms of the CONTRACT DOCUMENTS insofar as applicable to the WORK of SUBCONTRACTORS and give the CONTRACTOR the same power as regards terminating any subcontract that the COUNTY may exercise over the CONTRACTOR under any provision of the CONTRACT DOCUMENTS.

D-19.5 Nothing contained in this contract shall create any contractual relation between any SUBCONTRACTOR and the COUNTY.

D-20. ACCEPTANCE OF FINAL PAYMENT AS RELEASE

The acceptance by the CONTRACTOR of final payment shall be and shall operate as a release to the COUNTY of all claims and all liability to the CONTRACTOR other than claims in stated amounts as may be specifically excepted by the CONTRACTOR for all things done or furnished in connection with this WORK and for every act and neglect of the COUNTY and others relating to or arising out of this WORK. Any payment shall not release the CONTRACTOR from any obligations under the CONTRACT DOCUMENTS.

D-21. CHANGES IN THE WORK

The COUNTY may, at any time, as the need arises, order changes within the scope of the WORK without invalidating this contract. If such changes increase or decrease the amount due under the CONTRACT DOCUMENTS, or in the time required for performance of the WORK, an equitable adjustment shall be authorized by a written change order.

D-22. CHANGES IN CONTRACT PRICE

D-22.1 All changes, which affect the cost or time of the construction of the PROJECT, must be authorized by means of a written change order. The change order will include extra WORK, WORK for which quantities have been altered from those shown in the bidding schedule, as well as decreases or increases in the quantities of installed units which are different than those shown in the bidding schedule because of final measurements. All changes should be recorded on a change order as they occur. Each change order must contain complete and detailed justification for all items addressed by the change order. All change orders must be approved in writing by the COUNTY prior to execution of the WORK by the CONTRACTOR.

D-22.2 The value of any WORK covered by a change order or of any claim for increase or decrease in the CONTRACT PRICE shall be determined by one or more of the following methods in the order of precedence listed below:

- (a) Unit prices previously approved.
- (b) A negotiated total price with all costs for materials and labor outlined by the CONTRACTOR plus a mark-up item for overhead and profit limited to a maximum 15 percent of the outlined costs for the CONTRACTOR doing the WORK, and a maximum of an additional 5 percent for the prime CONTRACTOR if the WORK is performed by any SUBCONTRACTOR.

D-23. RESOLUTION OF CONSTRUCTION CLAIMS

D-23.1 Claim means a separate demand by the CONTRACTOR for (a) a time extension, (b) payment of money or damages arising from WORK done by, or on behalf of the CONTRACTOR, pursuant to this contract, payment not otherwise expressly provided this contract, or (c) any separate demand by the CONTRACTOR, the amount of which is disputed by the COUNTY. If this is a "public project" as defined in section 20150.2 of the California Public Contract Code, claims shall be resolved pursuant to sections 20104 *et seq.* of the California Public Contract Code. These sections are summarized as follows:

- (a) For claims less than \$50,000, the COUNTY shall respond in writing to all written claims within forty-five (45) days of receipt of the claim, or may request in writing, within thirty (30) days of receipt of the claim, any additional documentation supporting the claim or relating to any defenses the COUNTY may have against such claim. The COUNTY'S written response to the claim, as further documented, will be submitted to the CONTRACTOR within fifteen (15) days from receipt of the further documentation, or within a period of time no greater than that taken by the CONTRACTOR in producing the additional documentation, whichever is greater.

- (b) For claims over \$50,000 and less than or equal to \$375,000, the COUNTY shall respond in writing to all written claims within sixty (60) days of receipt of the claim, or may request in writing, within thirty (30) days of receipt of the claim, any additional documentation supporting the claim or relating to any defenses the COUNTY may have against such claim. The COUNTY'S written response to the claim, as further documented, will be submitted to the CONTRACTOR within thirty (30) days from receipt of the further documentation, or within a period of time no greater than that taken by the CONTRACTOR in producing the additional documentation, whichever is greater.
- (c) If the CONTRACTOR disputes the COUNTY'S written response, or the COUNTY fails to respond within the time specified, the CONTRACTOR may notify the COUNTY in writing within either fifteen (15) days of receipt of the COUNTY'S response, or within fifteen (15) days of the COUNTY'S failure to respond within the statutorily prescribed time, and demand an informal conference to meet and confer for settlement of the issues in dispute. Upon demand, the COUNTY shall schedule a meeting and confer conference within thirty (30) days for settlement of the dispute.
- (d) Following the meet and confer conference, if the claim or any portion remains in dispute, the CONTRACTOR may file a claim pursuant to Government Code Sections 900, et seq. The period of time within to file such a claim shall be defined in Public Contract Code Section 20104.2(e).

D-23.2 All claims, disputes, and other matters in question arising out of, or relating to, the CONTRACT DOCUMENTS or the breach thereof, except for claims that have been waived by the making and acceptance of final payment, as provided by paragraph D-24 of this contract, may be decided by arbitration or mediation pursuant to section 20104.4 of the Public Contracts Code.

D-24. CORRECTION OF WORK

D-24.1 The CONTRACTOR shall promptly remove from the premises all WORK rejected by the COUNTY'S Contract Administrator or the COUNTY for failure to comply with the CONTRACT DOCUMENTS, whether incorporated in the construction or not, and the CONTRACTOR shall promptly replace and re-execute the WORK in accordance with the CONTRACT DOCUMENTS and without expense to the COUNTY and shall bear the expense of making good all WORK of other contractors destroyed or damaged by such removal or replacement.

D-24.2 All removal and replacement WORK shall be done at the CONTRACTOR'S expense. If the CONTRACTOR does not take action to remove such rejected WORK within ten (10) days after receipt of written notice, the COUNTY may remove such WORK and store the materials at the expense of the CONTRACTOR.

D-25. TAXES

The CONTRACTOR will pay all sales, consumer, use, and other similar taxes required by the laws of the place where the WORK is performed.
