Requesting Organization: Community Food Bank of San Benito County

**SUMMARY**

The funding Community Food Bank of San San Benito County (Community FoodBank) received from the County of San Benito for Fiscal Year 2019-2020 was used to support the food bank's Marketplace Program – the free choice marketplace remodeled to have the look and feel of a real corner grocery market. Customers shop with shopping carts and have the freedom to meander through the market rather than stay in a line. Restores dignity and promotes personal relationships. Operating 50 of 52 weeks per year, serving approximately 3,000 people monthly, offering fresh seasonal produce, wide variety of breads, pantry staples, and occasional meats, eggs and dairy.

It costs Community FoodBank \$135 for one person to shop for one year. We received \$12,000, which provided the funding for 89 people to shop at the marketplace for one year.
