Dear Members

Included is our projected amount of meals served for fiscal year **2019-2020**. At the end of the fiscal year **June 30, 2020** the amount of meals projected that will be served is **44,000** for both the Congregate and Meals on Wheels Program. The increase in meals was due to the COVID—19. JDA continues to receive the same amount of annual funding to operate the programs. This was a great impact to our budget and a reduction in services, because it does not keep up with inflation. The food & consumable costs continue to increase, as other fixed costs to operate the agency.

Other services were provided to over **2,812** seniors in San Benito County include:

- Nutrition Services
- Nutrition Education and Counseling
- Transportation Services: to and from senior centers, assistance with Shopping & medical appointments.
- Information & Assistance
- Alzheimer's Resource Information Center
- Case - Management
- Family Caregiver Support Program
- Exercise Classes & Blood Pressure Clinic
- Support Groups

I want to thank you for your continued support, which allows us to serve the meals and other essential services to the elderly of San Benito County. It also allows the seniors to live at home longer along with all the supportive services they receive from the Agency.

If you have any questions or need more information please call me at (831) 637-9275 or e-mail at JAntano@aol.com.

Yours truly,

Pauline Valdivia
Executive Director
