Jenny,

I am following up on the submission of the CAB Bylaws and was wondering if there is a status update on the whether or not they have been reviewed?

The San Benito County Community Action Board Bylaws Committee has recently met to discuss changes to the current bylaws. A copy is attached. The changes to the bylaws made by the committee are highlighted in yellow. The bylaws were also reviewed by our local County Counsel, comments highlighted in blue.

I've attached the current bylaws and a copy of the requested revisions for review.
