## **Executive Summary**

The County Administrative Office has prepared the 2019/2020 Development Impact Fee Report for the San Benito County Board of Supervisors for their review of the San Benito County's Development Impact Fee Program. This Development Impact Fee Report presents a comprehensive overview of the Development Impact Fee Programs in San Benito County for Fiscal Year 2019/2020, meeting the reporting requirements<sup>1</sup> of California Government Code sections 66001 and 66006. The information provided in this report has been collected from the Auditor's Office regarding the County's Capital Improvement Plan, financial reports, and Project and departmental budgets that are associated with impact fees. The Auditor's Office concurs with the financial data about each of these impact fee funds, as was reported at year-end for the fiscal year 2019/2020.

---

<sup>1</sup> This Report is prepared in compliance with the annual reporting requirements of California Government Code section 66006.

## **Introduction**

The County of San Benito has maintained a County Development Impact Fee (DIF) Program since the late 1980s. The Program presently collects impact fees for Drainage, Traffic, Road Equipment, County Fire Protection, Law Enforcement, Criminal Justice Detention, Habitat Conservation, Parks and Recreation, Library Facilities, General Government, and Information Technology.

This Report contains the specific information required to be made available to the public on an annual basis regarding each fund. These State requirements are outlined in Government Code section 66006(b), described below.

### **California Government Code Section 66006(b)**

California Government Code subsection 66006(b) defines the specific reporting requirements for local agencies that impose AB 1600 development impacts fees on new development. For each separate fund established for the collection and expenditure of development impact fees, the local agency shall, within 180 days after the last day of each fiscal year, make available to the public the information shown below for the fiscal year:

- A brief description of the type of fee of each fund **(pages 6-31)**;
- The amount of the fee **(see APPENDIX H: Building Impact Fee Summary, page 46)**;
- The beginning and ending balance of the fund **(Financial Summary Report, page 5)**;
- The amount of the fees collected and the interest earned **(Financial Summary Report, page 5)**;
- Identification of each public improvement on which fees were expended, and the amount of the expenditures on each improvement, including the total percentage of the cost of the public improvement that was funded with fees **(pages 6-31)**;
- A description of each inter-fund transfer or loan made from the account or fund, including the public improvement on which the transferred or loaned fees will be expended, and, in the case of an inter-fund loan, the date on which the loan will be repaid, and the rate of interest that the account or fund will receive on the loan , **(page 33)**; and
- The amount of refunds made pursuant to subdivision (e) of Section 66001 and any allocations pursuant to subdivision (f) of Section 66001, **(page 33)**.

The pages following the Financial Summary Report provide the information described above with respect to each separate development impact fee fund.

# Financial Summary Report

## Statement of Revenues, Expenditures and Changes in Fund Balances For the Year Ended June 30, 2020

	County Fire Impact	Law Enforce. Impact	Detention Facilities Impact	Habitat Impact	Road Equip. Impact	Parks/Rec Impact	Drainage Impact	Traffic Impact	Library Facilities Impact	General Gov. Impact	Info. Tech. Impact
<b>Revenues:</b>											
Impact Fees <sup>1</sup>	\$ 344,051	\$ 334,830	\$1,003,272	\$ 56,422	\$ 211,508	\$ 519,225	\$ (24,510)	\$2,796,768	\$ 212,738	\$ 481,150	\$ 45,903
Interest	19,624	6,636	28,416	24,631	14,274	68,694	25,626	176,664	4,106	6,895	699
Other Revenue	—	—	—	—	—	—	—	—	—	—	—

<b>Expenditures:</b>											
Expenditures	—	—	—	—	—	—	—	—	—	—	—
Total Expenditures	—	—	—	—	—	—	—	—	—	—	—
Excess (deficiency) of revenues over expenditures	363,675	341,466	1,031,688	81,053	225,782	587,919	1,116	2,973,432	216,844	488,045	46,602
<b>Other Financing Sources (uses):</b>											
Transfers in	—	—	—	—	—	—	—	—	—	—	—
Transfers out <sup>2</sup>	—	(31,260)	(2,305,722)	—	—	(24,227)	—	(383,280)	—	—	—
Total other financing sources (uses)	—	(31,260)	(2,305,722)	—	—	(24,227)	—	(383,280)	—	—	—
<b>Net Change in Fund Balances</b>	363,675	310,206	(1,274,034)	81,053	225,782	563,692	1,116	2,590,152	216,844	488,045	46,602
Fund balances - beginning of year	821,215	186,299	1,387,146	1,188,044	618,612	3,208,132	1,180,460	7,508,615	117,019	141,755	14,263
Fund balances - end of year	\$1,184,890	\$ 496,505	\$ 113,112	\$1,269,097	\$ 844,394	\$3,771,824	\$1,181,576	\$10,098,767	\$ 333,863	\$ 629,800	\$ 60,865

### Notes:

1. Impact Fees: Drainage Impact Fund shows negative revenue under impact fees due to amounts over collected in multiple years and subsequently refunded to developers.
2. Transfers out: Transfers to General, Deb Servicing or Capital Improvement Funds for expenditures on impact fee funded projects are identified in the specific impact fee section found throughout the report.

## **Drainage Impact Fee**

### ***Purpose/Reasonable Relationship***

The purpose of the Drainage Impact Fee is to construct storm drainage facilities identified in the Santa Ana Creek Drainage Plan necessitated in whole or in part by new development to prevent inundation during a 100-year flood. The fee is based on the projected amount of development that will occur in the Santa Ana Creek drainage basin and the estimated cost of the improvements, as established in County Ordinance No. 529 (San Benito County Code Sections 5.01.020-.025). The fee is applicable to all new building permits issued in the Santa Ana Creek fee benefit area and was recently updated to reflect changes in drainage improvement construction costs.

A reasonable relationship between the Drainage Impact Fee and the purpose for which is charged is demonstrated by the fact that drainage improvements benefit new development in the area in which the fee is charged and which would be unnecessary but-for new development. The fee provides an equitable and uniform method for each new development to bear a proportionate cost of improvements within the various sub basins in the Santa Ana Creek Drainage Plan area. The amount of the Drainage Impact Fee is indicated on the most recently updated Building Impact Fee Summary, as shown in Appendix H to this Report.

### ***Benefit Area***

The Drainage Impact Fee is charged in an area of benefit that encompasses the portions of the County within the Santa Ana Creek drainage area as shown in Appendix G: San Benito County Drainage Impact. The County will benefit from the drainage improvements.

### ***Sources and Amounts of Funding Anticipated to Complete Financing of Incomplete Improvements***

All sources and amounts of funding which are anticipated to complete financing of incomplete improvements are listed in the notes to the Drainage Impact Fee Planning Projects Table, below.

### ***Approximate Dates on which Funding Will Be Deposited***

The approximate dates on which the funding is expected to be deposited into the Drainage Impact Fee fund are listed in the Drainage Impact Fee Planning Projects Table and notes, below.

## Financial Information

Fund balances - end of year	<u>\$ 1,181,576</u>

## Project Identification

Planned Projects - Drainage Impact Fees							
Projects <sup>2</sup>	Project Phase	Estimated Construction Start Date	Estimated Completion Date	Estimated Project Cost	Total Impact Fee Funding	Total Impact Fee Expenditures	Estimated % of Project Funded with Impact Fees
Drainage Improvements/ Santa Anna Creek Drainage Plan	Preliminary	FY 2019	FY 2021	\$ 200,000	\$ 200,000	\$ —	100 %
Lover's Lane and San Felipe Flood Drainage	Preliminary	FY 2019	FY 2021	\$ 23,000	\$ 23,000	\$ —	100 %
Lone Tree Creek east of Fairview Flood Drainage	Preliminary	FY 2019	FY 2022	\$ 18,500	\$ 18,500	\$ —	100 %
Shore Rd. Bridge Flood Drainage	Preliminary	FY 2019	FY 2021	\$ 10,000	\$ 10,000	\$ —	100 %
Lone Tree Creek west of Pacheco Hwy. flood drainage	Preliminary	FY 2019	FY 2020	\$ 15,000	\$ 15,000	\$ —	100 %
McClosky flood drainage	Preliminary	FY 2019	FY 2020	\$ 8,000	\$ 8,000	\$ —	100 %
Drainage Projects identified in basin and sub-basins F, E6, E5, E4, E3 on Appendix: F <sup>1</sup>	Preliminary	FY 2020	FY 2035	\$ 911,000	\$ 911,000	\$ —	100 %
<b>Total Drainage Impact Fee</b>				\$ 1,185,500	\$ 1,185,500		

#### Notes:

1. The drainage projects listed in the table alone will be funding entirely with the Drainage impact fee revenues.

2. Identification in this report is for compliance with the Government Code. It shall not constitute approval or impermissible pre-commitment to a project, until any necessary CEQA is completed and all necessary local, state or federal approvals, if any, have been obtained.

## **Traffic Impact Fee Fund**

### ***Purpose/Reasonable Relationship***

The Traffic Impact Fee was established pursuant to County Ordinance No. 554 (San Benito County Code Sections 5.01.250-263). The purpose of the Traffic Impact Fee is to mitigate the costs of transportation and transit facilities and adverse impacts necessitated by new development in San Benito County. New development generates an increased volume of traffic, which in turn leads to a more rapid degeneration of existing county roads and increased congestion. The need to repair, reconstruct, and expand the County's existing roadways is a direct consequence of new development. Furthermore, construction of new county roads and transit facilities also becomes necessary.

A reasonable relationship between the Traffic Impact Fee and the purpose for which it is charged is demonstrated by the updated Regional Transportation Impact Mitigation Fee (TIMF) Nexus Study prepared by Michael Baker International and adopted by the Board of Supervisors in March, 2016. That nexus study documents in further detail the reasonable relationship between the fee and the cost of the repair, reconstruction, and expansion of existing road facilities and construction of new roads to accommodate new development. The amount of the Traffic Impact Fee is indicated in the Building Impact Fee Summary in Appendix G.

### ***Benefit Area***

The Traffic Developmental Impact Fees is collected in a benefit area covering most of the unincorporated area of the County as shown on the Regional TIMF Zones map in Appendix B: Traffic Impact Mitigation Fee Zone Map.

### ***Sources and Amounts of Funding Anticipated to Complete Financing of Incomplete Improvements***

Traffic impact fee revenue will continue to be used to fund the road improvement projects needed to mitigate the adverse impacts and to accommodate the traffic generated by new development. The Traffic Impact Fee Planned Projects Table, below, describes the projects that the County plans to fund in part or entirely with Traffic Impact Fee revenue, their total costs and, if funding is complete, the year project construction is estimated to commence. Additional sources and amounts of funding which are anticipated to complete financing of incomplete improvements, if any, are also listed.

### ***Approximate Dates on which Funding Will Be Deposited***

The approximate dates on which the aforementioned funding is expected to be deposited into the Traffic Impact Fee fund are also listed in the Traffic Impact Fee Planning Projects Table and notes, below.

### ***Future Projects and Funding***

In addition, the County anticipates using Traffic Impact Fee revenues to fund the projects identified in the 2016 San Benito Council of Governments TIMF Update Nexus Study, prepared by Michael Baker International. Roadway, bicycle, and regional trail improvement projects are included in the TIMF update. The list of projects and project costs funded by the TIMF is located in Appendix A, Regional Traffic Impact Mitigation Improvements. Non-fee funding sources include the State Transportation Improvement Program, the Congestion Management and Air Quality Program, the State Interregional Improvement Program, and Fuel Tax Subvention funds.

## Financial Information

### Traffic Impact Fee Fund Statement of Revenues and Expenditures

<b>Revenues:</b>	<u>FY 2019/20</u>
Impact Fees	<u>\$ 2,796,768</u>
Interest	<u>\$ 176,664</u>
Other revenues	<u>—</u>

Fund balances - end of year	<u><u>\$10,098,767</u></u>

## Project Identification

Expenditures/Transfers Traffic Impact, FY 19/20							
Projects <sup>1</sup>	Phase	Start	End	Expenditures to Date	Impact Fees Expensed During FY19/20	Total Impact Fees Expensed to Date	% of Impact fee used
Santana Ranch Road Improvement Reimbursement	Complete	FY 2020	FY 2020	\$ 383,280	\$ 383,280	\$ 383,280	100 %
<b>Total</b>				\$ 383,280	\$ 383,280	\$ 383,280	

#### Notes:

1. A loan in the amount of \$69,000 was completed for a public works project to CSA #46 Quail Hollow during FY2019/2020. Additional information regarding the loan is identified in the notes section at the end of this report. The loan is to be repaid to the traffic impact fee fund in five years.

Planned Projects Traffic Impact Fees							
Projects <sup>4</sup>	Project Phase	Estimated Construction Start Date	Estimated Completion Date	Estimated Project Cost	Estimated Impact Fee Funding	Total Impact Fee Expend.	Estimated % of Project Funded with Impact Fees
Highway 156 Widening <sup>1</sup>	Design	FY 2020	FY 2027	\$105,900,000	\$ 3,855,600	\$ —	3.6 %
Developer Road Improvement Reimbursement	Construction	FY2020	FY2021	\$ 500,000	\$ 500,000	\$ —	100 %
Appendix A-Regional Traffic Impact Mitigation Fees <sup>2</sup>	Preliminary	FY 2019	FY 2025	\$ 4,804,679	\$ 1,912,324	\$ —	40 %
Intersection improvements signalization <sup>3</sup>	Preliminary	FY 2019	FY 2035	\$ 15,274,660	\$15,247,660	\$ —	100 %
<b>Total Traffic Impact Fee</b>				\$126,479,339	\$21,515,584	\$ —	

**Notes:**

1. Caltrans is overseeing this project; there is a collaborative cost allocation between the County and City of Hollister. Additional funding will come from the State and Federal Governments.
2. Measures G was approved on the November 6, 2018 ballot and will be an additional source of funding for the projects listed.
3. Intersections as identified in the 2016 Regional Transportation Impact Mitigation Fee Nexus Study.
4. Identification in this report is for compliance with the Government Code. It shall not constitute approval or impermissible pre-commitment to a project, until any necessary CEQA is completed and all necessary local, state or federal approvals, if any, have been obtained.

## **Road Equipment Impact Fee**

### ***Purpose/Reasonable Relationship***

The Road Equipment Impact Fee was adopted to provide funding to purchase the road equipment, for the repair, and construction of road facilities continues to be used for this purpose. The Fee was established by Resolution 89-54 pursuant to County Ordinance No. 554 (San Benito County Code Sections 5.01.250-263). As described in the Ordinance's findings, new development generates additional traffic which creates the need to repair, improve, reconstruct, expand county roads, and the need for additional road construction equipment. The nexus study for this fee documents a reasonable relationship between the fees and the cost of the road equipment needed to repair and reconstruct the existing and future road facilities needed to accommodate new development. In addition, larger residential and commercial buildings are often associated with more residents and workers and generate more vehicle trips than smaller buildings. Because the Road Equipment Impact Fee is based upon the square footage of the building a reasonable relationship between the Road Equipment Impact Fee and the purpose for which it is charged is demonstrated. The Road Equipment Impact Fee rates are indicated in the Building Impact Fee Summary in Appendix G.

### ***Benefit Area***

The Road Equipment Impact Fee is applicable throughout the unincorporated areas of the County. Those areas are outlined in Appendix D: San Benito County Unincorporated Area.

### ***Sources and Amounts of Funding Anticipated to Complete Financing of Incomplete Improvements***

All sources and amounts of funding which are anticipated to complete financing of incomplete improvements are listed in the Road Equipment Impact Fee Planning Projects Table, below.

### ***Approximate Dates on which Funding Will Be Deposited***

The approximate dates on which the funding is expected to be deposited into the Road Equipment Impact Fee fund are listed in the Road Equipment Impact Fee Planning Projects Table, below.

## Financial Information

### Road Equipment Impact Fee Fund Statement of Revenues and Expenditures

<b>Revenues:</b>	<u>FY 2019/20</u>

Fund balances - end of year	<u>\$ 844,394</u>

## Project Identification

Planned Projects Road Equipment Impact Fee							
Projects <sup>1, 2</sup>	Project Phase	Estimated Construction Start Date	Estimated Completion Date	Estimated Project Cost	Total Impact Fee Funding	Total Impact Fee Expend.	Estimated % of Project Funded with Impact Fees
Patch Truck	Preliminary	FY 2020	FY 2022	\$ 324,000	\$ 300,000	\$ —	93 %
Two 3/4 Ton Pickup w/ Plow	Preliminary	FY 2020	FY 2022	\$ 116,000	\$ 66,000	\$ —	57 %
<b>Total Road Equipment Impact Fee</b>				\$ 440,000	\$ 366,000	\$ —	

#### Notes:

- The equipment listed in the Planned Projects Table will be funded through the Road Equipment impact fee fund.
- Identification in this report is for compliance with the Government Code. It shall not constitute approval or impermissible pre-commitment to a project, until any necessary CEQA is completed and all necessary local, state or federal approvals, if any, have been obtained.

## **Fire Protection Impact Fee**

### ***Purpose/Reasonable Relationship***

The Fire Protection Impact Fee was established pursuant to County Ordinance No. 639 (San Benito County Code Sections 5.01.280-296). The purpose of the fee is to finance fire protection facilities and other capital expenditures to keep pace with new development in the county. The ordinance enables any fire district providing fire protection services to unincorporated areas of the county to request the County to impose fire impact fees if the district prepares a study documenting the need for new fire protection facilities and equipment created by new development. In addition, a Fire Protection Impact Fee was adopted by resolution for the unincorporated areas of San Benito County serviced by the San Benito County Fire Department. All Fire Protection Impact Fee revenue is used to provide the fire protection facilities and equipment required to accommodate new development. In addition, larger buildings have potential for greater losses. Charging the fire impact fee by building square footage enhances the reasonable relationship between the fire impact fees and the purpose for which they are charged. The Fire Protection Impact Fee rates are indicated in the Building Impact Fee Summary shown in Appendix G. The nexus study for this fee documents a reasonable relationship between the fee and the cost to provide fire protection facilities and equipment to accommodate new development.

### ***Benefit Area***

The benefit area for the Fire Protection Impact Fee includes the unincorporated areas of the county serviced by the San Benito County Fire Department. The map shown in Appendix E: San Benito County Fire Service Area Map depicts the service area for the San Benito County Fire Department.

### ***Sources and Amounts of Funding Anticipated to Complete Financing of Incomplete Improvements***

All sources and amounts of funding which are anticipated to complete financing of incomplete improvements are listed in the Fire Protection Impact Fee Planning Projects Table, below.

### ***Approximate Dates on which Funding Will Be Deposited***

The approximate dates on which the funding is expected to be deposited into the Fire Protection Impact Fee fund are listed in the Fire Protection Impact Fee Planning Projects Table, as notes below.

## Financial Information

Fund balances - beginning of year	\$ 821,215
Fund balances - end of year	<u><u>\$ 1,184,890</u></u>

## Project Identification

The 2017 Willdan Development Impact Fee Study identified future fire facilities needs with an estimated cost of \$17,643,748. The county is currently involved in preliminary assessments of these needs. A Fire feasibility study and architectural plans for fire station #3 were completed in fiscal years 2017 and 2018. As the preliminary assessment is completed and projects are identified the project costs will be updated.

<b>Planned Projects</b> <b>Fire Protection Impact Fee</b>							
<b>Projects <sup>1, 2</sup></b>	<b>Project Phase</b>	<b>Estimated Construction Start Date</b>	<b>Estimated Completion Date</b>	<b>Estimated Project Cost</b>	<b>Total Impact Fee Funding</b>	<b>Total Impact Fee Expend.</b>	<b>Estimated % of Project Funded with Impact Fees</b>
Fire Facilities	Preliminary	FY 2017	FY 2035	\$ 17,643,748	\$ 8,293,800	\$ —	47 %
<b>Total Fire Protection Impact Fee</b>				<b>\$ 17,643,748</b>	<b>\$ 8,293,800</b>	<b>\$ —</b>	

#### Notes:

1. The projects listed in the Planned Projects are to be funded through the Fire Protection impact fee fund.
2. Identification in this report is for compliance with the Government Code. It shall not constitute approval or impermissible pre-commitment to a project, until any necessary CEQA is completed and all necessary local, state or federal approvals, if any, have been obtained.

## **Law Enforcement Impact Fee**

### ***Description/Purpose***

The Law Enforcement Impact Fee was established pursuant to County Ordinance 515. The purpose of the fee is to finance Law Enforcement Protection Facilities and Equipment necessitated by new development. As established in the findings of Ordinance 515 increasing public and private sector development requires construction or expansion of Law Enforcement Facilities and the acquisition of equipment for law enforcement purposes, in order to protect the health and safety of residents. Fees are to be used by the County to provide for capital facilities and equipment, including, but not limited to office construction, office expansion and equipment.

### ***Benefit Area***

Law Enforcement Impact fee is provided in the unincorporated area of the County shown on the map in APPENDIX D: San Benito County Unincorporated Area. The benefit area for this Impact Fee is Countywide, therefore the fee is collected over the entire County.

### ***Sources and Amounts of Funding Anticipated to Complete Financing of Incomplete Improvements***

All sources and amounts of funding which are anticipated to complete financing of incomplete improvements are listed in the Law Enforcement Impact Fee Planning Projects Table, below.

### ***Approximate Dates on which Funding Will Be Deposited***

The approximate dates on which the funding is expected to be deposited into the Law Enforcement Impact Fee fund are listed in the Law Enforcement Impact Fee Planning Projects Table, as notes below.

<b>Total Law Enforcement Impact Fee</b>				\$ 750,000	\$ 750,000	\$ —	

**Notes:**

1. The projects listed in the planned projects are to be funded through the Law enforcement impact fee fund.
2. Identification in this report is for compliance with the Government Code. It shall not constitute approval or impermissible pre-commitment to a project, until any necessary CEQA is completed and all necessary local, state or federal approvals, if any, have been obtained.

## **Detention Facilities Impact Fee**

### ***Purpose/Reasonable Relationship***

The Criminal Justice Facilities Impact Fee was established pursuant to County Ordinance No. 574 (San Benito County Code Sections 5.01.310-325) a Capital Improvements Impact Fee. The Capital Improvements Development Impact Fee was established to defray the costs of capital improvements necessitated by new development projects in the County. Ordinance No. 574 permits the Board of Supervisors to establish fees for capital improvements by resolution, and specifically includes a particular focus on law enforcement facilities. As defined in the ordinance, law enforcement includes, without limitation, the Sheriff's Office, Probation Department, District Attorney, Board of Supervisors, Administration, County Counsel, Planning and Building, Health Department, and other departments to the extent that each is involved in the enforcement of state laws and county ordinances.

The Criminal Justice Facilities Impact Fee, also known as the Jail and Juvenile Hall Impact Fee, established pursuant to Resolution 93-107, provides funding for debt service costs for detention facilities impacted by inmate populations potentially generated by new development in the County. The amount of the Jail and Juvenile Hall Impact Fee is based on the share of costs of debt service for the jail and juvenile hall allocated to new development in the unincorporated area, along with the amount of development projected to occur in the unincorporated area. The Jail and Juvenile Hall Impact Fee has been used for this purpose and has been programmed toward funding for further expansion of the jail and juvenile detention facilities. Thus, there is a reasonable relationship between the Jail and Juvenile Hall Impact Fee and the purpose for which it is charged.

The Detention Facilities Impact Fee was created by Ordinance No. 962 and superseded the prior Ordinances and Resolutions that created the Criminal Justice Facilities/Jail and Juvenile Hall Impact Fee. It provides for funding for the cost of detention facilities, the need for which is generated by new development within the county.

### ***Benefit Area***

Law enforcement is provided in the unincorporated area of the County shown on the map in APPENDIX D: San Benito County Unincorporated Area. The benefit area for the Detention Facilities Impact Fee is County-wide.

### ***Sources and Amounts of Funding Anticipated to Complete Financing of Incomplete Improvements***

All sources and amounts of funding which are anticipated to complete financing of incomplete improvements are listed as notes to the Detention Facilities Impact Fee Planning Projects Table, below.

### ***Approximate Dates on which Funding Will Be Deposited***

The approximate dates on which the funding is expected to be deposited into the Criminal Justice Facilities Impact Fee fund are listed in the Detention Facilities Impact Fee Planning Projects Table, below.

**Notes:**

1. Identification in this report is for compliance with the Government Code. It shall not constitute approval or impermissible pre-commitment to a project, until any necessary CEQA is completed and all necessary local, state or federal approvals, if any, have been obtained.
2. Other funding sources: AB900 Grant funding and additional state funding from the Community Corrections Program (AB109).

## **Habitat Conservation Impact Fee**

### ***Purpose/Reasonable Relationship***

The Habitat Conservation Interim Mitigation Fee (Habitat Conservation Impact Fee) was established by County Ordinance No. 541 (San Benito County Code Sections 9.19.001-008) to provide financing for the development and implementation of a Habitat Conservation Plan and issuance of a Section 10(a) permit under the Endangered Species Act of 1973. The Habitat Conservation Fee funds the mitigation of adverse effects upon federally protected endangered species impacted by new development, and provides for the acquisition of habitat as identified in the Habitat Conservation Plan.

The balance of the Habitat Conservation Impact Fee revenue will be used to fund habitat conservation planning activities conducted by County staff and by consultants for the purpose of developing the Habitat Conservation Plan for the areas identified in Appendix C: Habitat Conservation Zone Map. The fee is based on the size of the lots and the proposed buildings in the development, which demonstrates a reasonable relationship between the fee and the purpose for which it is charged because larger developments are likely to have greater impacts on endangered species. The Habitat Conservation Impact Fee rates are indicated on the Building Fee Summary in Appendix G.

### ***Benefit Area***

The Habitat Conservation Fee is imposed within the area designated as the Habitat Conservation Plan Preliminary Study Area, which comprises certain lands located in the unincorporated areas of the County. The map entitled Appendix C: Habitats Conservation Zone Map presents the Habitat Conservation Plan Preliminary Study Area.

### ***Sources and Amounts of Funding Anticipated to Complete Financing of Incomplete Improvements***

All sources and amounts of funding which are anticipated to complete financing of incomplete improvements are listed as to notes the Habitat Conservation Impact Fee Planning Projects Table, below.

### ***Approximate Dates on which Funding Will Be Deposited***

The approximate dates on which the funding is expected to be deposited into the Habitat Conservation Impact Fee fund are listed in the Habitat Conservation Fee Planning Projects Table, below.

#### Notes:

1. The projects listed in the planned projects table funded entirely through the Habitat Conservation Impact fee.
2. Identification in this report is for compliance with the Government Code. It shall not constitute approval or impermissible pre-commitment to a project, until any necessary CEQA is completed and all necessary local, state or federal approvals, if any, have been obtained.

## **Parks and Recreation Impact Fee**

### ***Purpose/Reasonable Relationship***

The Park and Recreation Impact Fee was established pursuant to County Ordinance No. 542 (San Benito County Code Sections 5.01.120-126). The purpose of the Parks and Recreation Impact Fee is to acquire land and equipment and to construct recreational improvements to accommodate the County's increased resident population generated by new development. Park and Recreation Impact Fee revenue may also be used as local match for state and federal grants-in-aid programs for park and recreation development. County Resolution 2001-112 established the amount of the fee and a planned list of park facility improvements needed to accommodate the projected scope of new development in the unincorporated area of the County. A reasonable relationship between the fee and the purpose for which it is charged is demonstrated by the continuing need to provide outdoor and recreational opportunities for residents of the County. The Park and Recreation Impact Fee rates are indicated on the Building Impact Fee Summary located in Appendix G.

### ***Benefit Area***

The benefit area for the Park and Recreation Impact Fee is the unincorporated areas of the County as shown in Appendix D: San Benito County Unincorporated Area.

### ***Sources and Amounts of Funding Anticipated to Complete Financing of Incomplete Improvements***

All sources and amounts of funding which are anticipated to complete financing of incomplete improvements are listed in the Parks and Recreation Impact Fee Planning Projects Table, as notes below.

### ***Approximate Dates on which Funding Will Be Deposited***

The approximate dates on which the funding is expected to be deposited into the Parks and Recreation Impact Fee fund are listed in the Parks and Recreation Impact Fee Planning Projects Table, below.

**Notes:**

1. The planned projects listed in table are to be funded entirely through the Parks and Recreation impact fee.
2. Identification in this report is for compliance with the Government Code. It shall not constitute approval or impermissible pre-commitment to a project, until any necessary CEQA is completed and all necessary local, state or federal approvals, if any, have been obtained.

## **Library Facilities Impact Fee**

### ***Description/Purpose***

The Library Facilities Fee was established pursuant to County Ordinance No. 945 and updated by County Ordinance No. 962 (San Benito County Code Sections 5.01.454-5.01.461). The purpose of the Library Facilities Impact Fee is to fund the cost of certain library facilities, the need for which is directly or indirectly generated by new development within the county. A reasonable relationship between the Library Facilities Fee and the purpose for which it is charged is demonstrated by the San Benito County Development Impact Fee Study prepared by Willdan Financial Services and adopted by the Board of Supervisors in November 2017. That study documents in further detail the reasonable relationship between the fee and the demands that will be placed on library facilities.

The amount of the Library Facilities Impact Fee is indicated in the Building Impact Fee Summary in Appendix G.

### ***Benefit Area***

The Library Facilities Impact Fee is applicable throughout the unincorporated areas of the County. Those areas are outlined in Appendix D: San Benito County Unincorporated Area.

### ***Sources and Amounts of Funding Anticipated to Complete Financing of Incomplete Improvements***

All sources and amounts of funding which are anticipated to complete financing of incomplete improvements are listed in the Library Facilities Impact Fee Planning Projects Table and notes, below.

### ***Approximate Dates on which Funding Will Be Deposited***

The approximate dates on which the funding is expected to be deposited into the Library Facilities Impact Fee fund are listed in the Library Facilities Impact Fee Planning Projects Table, below.

**Project Identification**

The County is currently in the process of completing a Facilities Master Plan that will aid in identifying potential projects to be funded by the Library Facilities Impact Fee. The 2017 Willdan Development Impact Fee Study identified a plan to construct a 60,000 square foot library at an estimated cost of \$28,920,000. These figures are consistent with the Library Needs Assessment submitted to the California State Library in 2016. As the Facilities Master Plan is completed the project costs will be updated.

<b>Planned Projects</b>							
<b>Library Facilities Fee Impact Fee</b>							
<b>Projects <sup>1</sup></b>	<b>Project Phase</b>	<b>Estimated Construction Start Date</b>	<b>Estimated Completion Date</b>	<b>Estimated Project Cost</b>	<b>Total Impact Fee Funding</b>	<b>Total Impact Fee Expenditures</b>	<b>Estimated % of Project Funded with Impact Fees</b>

<b>Total</b>				\$28,920,000	\$ 9,856,000	\$ —	

**Notes :**

1. Identification in this report is for compliance with the Government Code. It shall not constitute approval or impermissible pre-commitment to a project, until any necessary CEQA is completed and all necessary local, state or federal approvals, if any, have been obtained.

## **Information Technology Impact Fee**

### ***Description/Purpose***

The Information Technology Impact Fee was established pursuant to County Ordinance No. 962 (San Benito County Code Sections 5.01.810-840). The purpose of the Information Technology Impact Fee is to fund the cost of information technology infrastructure and equipment, the need for which is generated by new development within the county. A reasonable relationship between the Information Technology Fee and the purpose for which it is charged is demonstrated by the San Benito County Development Impact Fee Study prepared by Willdan Financial Services and adopted by the Board of Supervisors in November 2017. That study documents in further detail the reasonable relationship between the fee and the demands that both residents and businesses place on the County's information technology infrastructure.

The amount of the Information Technology Impact Fee is indicated in the Building Impact Fee Summary in Appendix G.

### ***Benefit Area***

The Information Technology Impact Fee is applicable throughout the unincorporated areas of the County. Those areas are outlined in Appendix D: San Benito County Unincorporated Area.

### ***Sources and Amounts of Funding Anticipated to Complete Financing of Incomplete Improvements***

All sources and amounts of funding which are anticipated to complete financing of incomplete improvements are listed in the Information Technology Impact Fee Planning Projects Table and notes, below.

### ***Approximate Dates on which Funding Will Be Deposited***

The approximate dates on which the funding is expected to be deposited into the Information Technology Impact Fee fund are listed in the Information Technology Impact Fee Planning Projects Table, below.

- Identification in this report is for compliance with the Government Code. It shall not constitute approval or impermissible pre-commitment to a project, until any necessary CEQA is completed and all necessary local, state or federal approvals, if any, have been obtained.

## **General Government Impact Fee**

### ***Description/Purpose***

The General Government Impact Fee was established pursuant to County Ordinance No. 962 (San Benito County Code Sections 5.01.510-540). The purpose of the General Government Impact fee is to fund the cost of general government facilities necessitated by new development within the county.

County Ordinance No. 962 established the amount of the fee. A reasonable relationship between the General Government fee and the purpose for which it is charged is demonstrated by the San Benito County Development Impact Fee Study prepared by Willdan Financial Services and adopted by the Board of Supervisors in November 2017. That study documents in further detail the reasonable relationship between the fee and the continuing need for general government facilities to serve both residents and businesses countywide.

The General Government Facilities rates are indicated on the Building Impact Fee Summary located in Appendix G.

### ***Benefit Area***

The General Government Impact Fee is applicable throughout the unincorporated areas of the County. Those areas are outlined in Appendix D: San Benito County Unincorporated Area.

### ***Sources and Amounts of Funding Anticipated to Complete Financing of Incomplete Improvements***

All sources and amounts of funding which are anticipated to complete financing of incomplete improvements are listed in the General Government Impact Fee Planning Projects Table and notes, below.

## Project Identification

The County is currently in the process of completing a Facilities Master Plan that will aid in identifying potential projects to be funded by the General Government Impact Fee. The 2017 Willdan Development Impact Fee Study identified a plan to construct a government center at an estimated cost of \$51,282,638. As the Facilities Master Plan is completed the project costs will be updated.

Planned Projects							
Library Facilities Fee Impact Fee							
Projects <sup>1</sup>	Project Phase	Estimated Construction Start Date	Estimated Completion Date	Estimated Project Cost	Total Impact Fee Funding	Total Impact Fee Expenditures	Estimated % of Project Funded with Impact Fees
Government Center	Design	FY 2020	FY 2035	\$51,282,638	\$21,395,700	\$ —	42 %
<b>Total</b>				\$51,282,638	\$21,395,700	\$ —	

#### Notes :

1. Identification in this report is for compliance with the Government Code. It shall not constitute approval or impermissible pre-commitment to a project, until any necessary CEQA is completed and all necessary local, state or federal approvals, if any, have been obtained.

## **Notes to the Impact Fee Report**

### **Note #1 - Interfund Loans**

#### **A. Quail Hollow (CSA#46) Loan**

The Traffic Impact fee fund has a loan commitment to County Service Area #46 Quail Hollow for the emergency repair of a retaining wall on Wild Oak Drive. The loan was approved by the San Benito County Board of Supervisors on February 4, 2020. The terms of the loan are a principal amount of \$69,000 with no interest over five years. Repayments are to occur on a semiannual basis and due no later than April 10th and December 10th of each year. Full repayment of the loan is expected by December 10th, 2024. The following table outlines payments that occurred in fiscal year 2019-2020:

<b>Payment - Year</b>	<b>Principal</b>	<b>Interest</b>	<b>Total Payment</b>	<b>Outstanding Principal</b>
Payment 1 - 2020	\$6,900.00	\$—	\$6,900.00	\$62,100.00

### **Note #2 - Refunds Payable**

When the County no longer needs the funds for the purposes collected, or if the County fails to make required findings or perform certain administrative tasks prescribed by AB 1600, the County may be required to refund, on a prorated basis, to owners of the properties upon which the fees for the improvement were imposed, the monies collected for that project and any interest earned on those funds. At this time, all fees being collected pursuant to County Impact Fee Ordinances and Resolutions have been earmarked for current or future capital projects necessary to maintain the current levels of service within existing service areas to serve new development.

## APPENDIX A - Regional Traffic Impact Mitigation Improvements

Project No.	Project	Description	Total Project Estimate	Internal Cost
1	SR 156 Widening-San Juan Bautista to Union Road	Widen to 4-lane expressway: 635 feet east of The Alameda (in San Juan Bautista) to Union Road	\$62,900,000	\$43,973,604
2	SR 156/Fairview Road Intersection Improvements	Construct new turn lanes at intersection	\$6,824,000	\$5,004,494
3	Memorial Drive South Extension: Meridian Street to Santa Ana Road	Construct 4-lane road extension	\$3,355,000	\$3,355,000
4	Airline Highway/SR 25 Widening: Sunset Drive to Fairview Road	Widen to 4-lane expressway	\$28,214,000	\$28,073,190
5	Westside Boulevard Extension: Nash Road to Southside Road/San Benito St. intersection	Construct 2-lane road	\$13,360,200	\$13,360,200
6	North Street (Buena Vista), between College St. and San Benito St.	Complete 2-lane road	\$4,207,000	\$4,207,000
7	Fairview Road Widening: McCloskey to SR 25	Widen to 4-lane arterial; construct new bridge south of Santa Ana Valley Rd.	\$20,790,531	\$20,790,531
8	Union Road Widening (East): San Benito Street to SR 25	Widen to 4-lane arterial	\$5,463,000	\$5,403,856
9	Union Road Widening (West): San Benito Street to SR 156	Widen to 4-lane arterial	\$15,448,000	\$15,357,734
10	Meridian Street Extension: 185 feet east of Clearview Road to Fairview Road	Construct 4-lane road	\$9,445,000	\$9,445,000
11a	SR 25 4-lane Widening-Phase I	4-lane expressway: 580 feet northwest of San Felipe to Hudner Lane	\$67,591,000	\$60,223,581
11b	SR 25 4-lane Widening-Phase 2	4-lane expressway: Hudner Lane to County Line	\$181,000,000	\$161,271,000
12	Memorial Drive North Extension: Santa Ana Road to Flynn Road/Shelton Road intersection	Construct new 4-lane road and extension	\$13,842,000	\$13,842,000
13	Flynn Road Extension: San Felipe Road to Memorial Drive north extension	Construct new 4-lane arterial	\$8,509,679	\$8,509,679
14	Pacific Way (new road): San Felipe Road to Memorial Drive	New 2-lane road from San Felipe Road to future Memorial Drive north extension	\$7,412,431	\$7,412,431
15	Intersection Improvements--Lump Sum	Add Signals or Other Intersection Improvements	<u>\$15,274,660</u>	<u>\$15,274,660</u>
<b>Total Estimated Cost</b>			<b>\$463,636,501</b>	<b>\$415,503,960</b>
