Re: Homeless Housing Assistance and Prevention Program (HHAP) Round 2 Approval

Dear Tracey,

We are pleased to inform you that the County of San Benito has been approved for the Monterey/San Benito Counties Continuum of Care Homeless Housing Assistance and Prevention Program (HHAP). HHAP was created by Governor Newsom and is administered through the Business Consumer Services and Housing Agency under the Homeless Coordinating and Financing Council (HCFC).

The main purpose of these funds is to provide support for regional collaboration and to expand or develop local capacity to address our immediate homelessness challenges. The Leadership Council believes that the County of San Benito can use these funds to continue serving our most vulnerable population.

It is our honor to announce that you have been approved for **\$157,801.85** for all eligible services outlined in the HHAP Round 2 Guidance. Contracts will be sent out in the coming weeks – during which we can discuss requirements for this grant.

We thank you for your exceptional dedication to the complex issues of homelessness. We are pleased to offer you our support throughout the grant period and look forward to the outstanding work you will do. Please feel free to reach out to our Program Manager, Molly Machado (mmachado@chsp.org) if you have any questions.

Regards,

Roxanne V. Wilson
Executive Officer
