

# San Benito County

Resource Management Agency  
Public Works Division  
BRIDGE PROJECTS UPDATE  
March 2022

1) Highway Bridge Program

2) Locally funded bridges

# 1) Highway Bridge Program (HPB)

(majority of costs paid by State/Federal govt.)

## Overview:

The purpose of the Program is to replace or rehabilitate public highway bridges over waterways, other topographical barriers, other highways, or railroads when the **State and the Federal Highway Administration** determine that a bridge is significantly important and qualifies under the HBP program Guidelines.

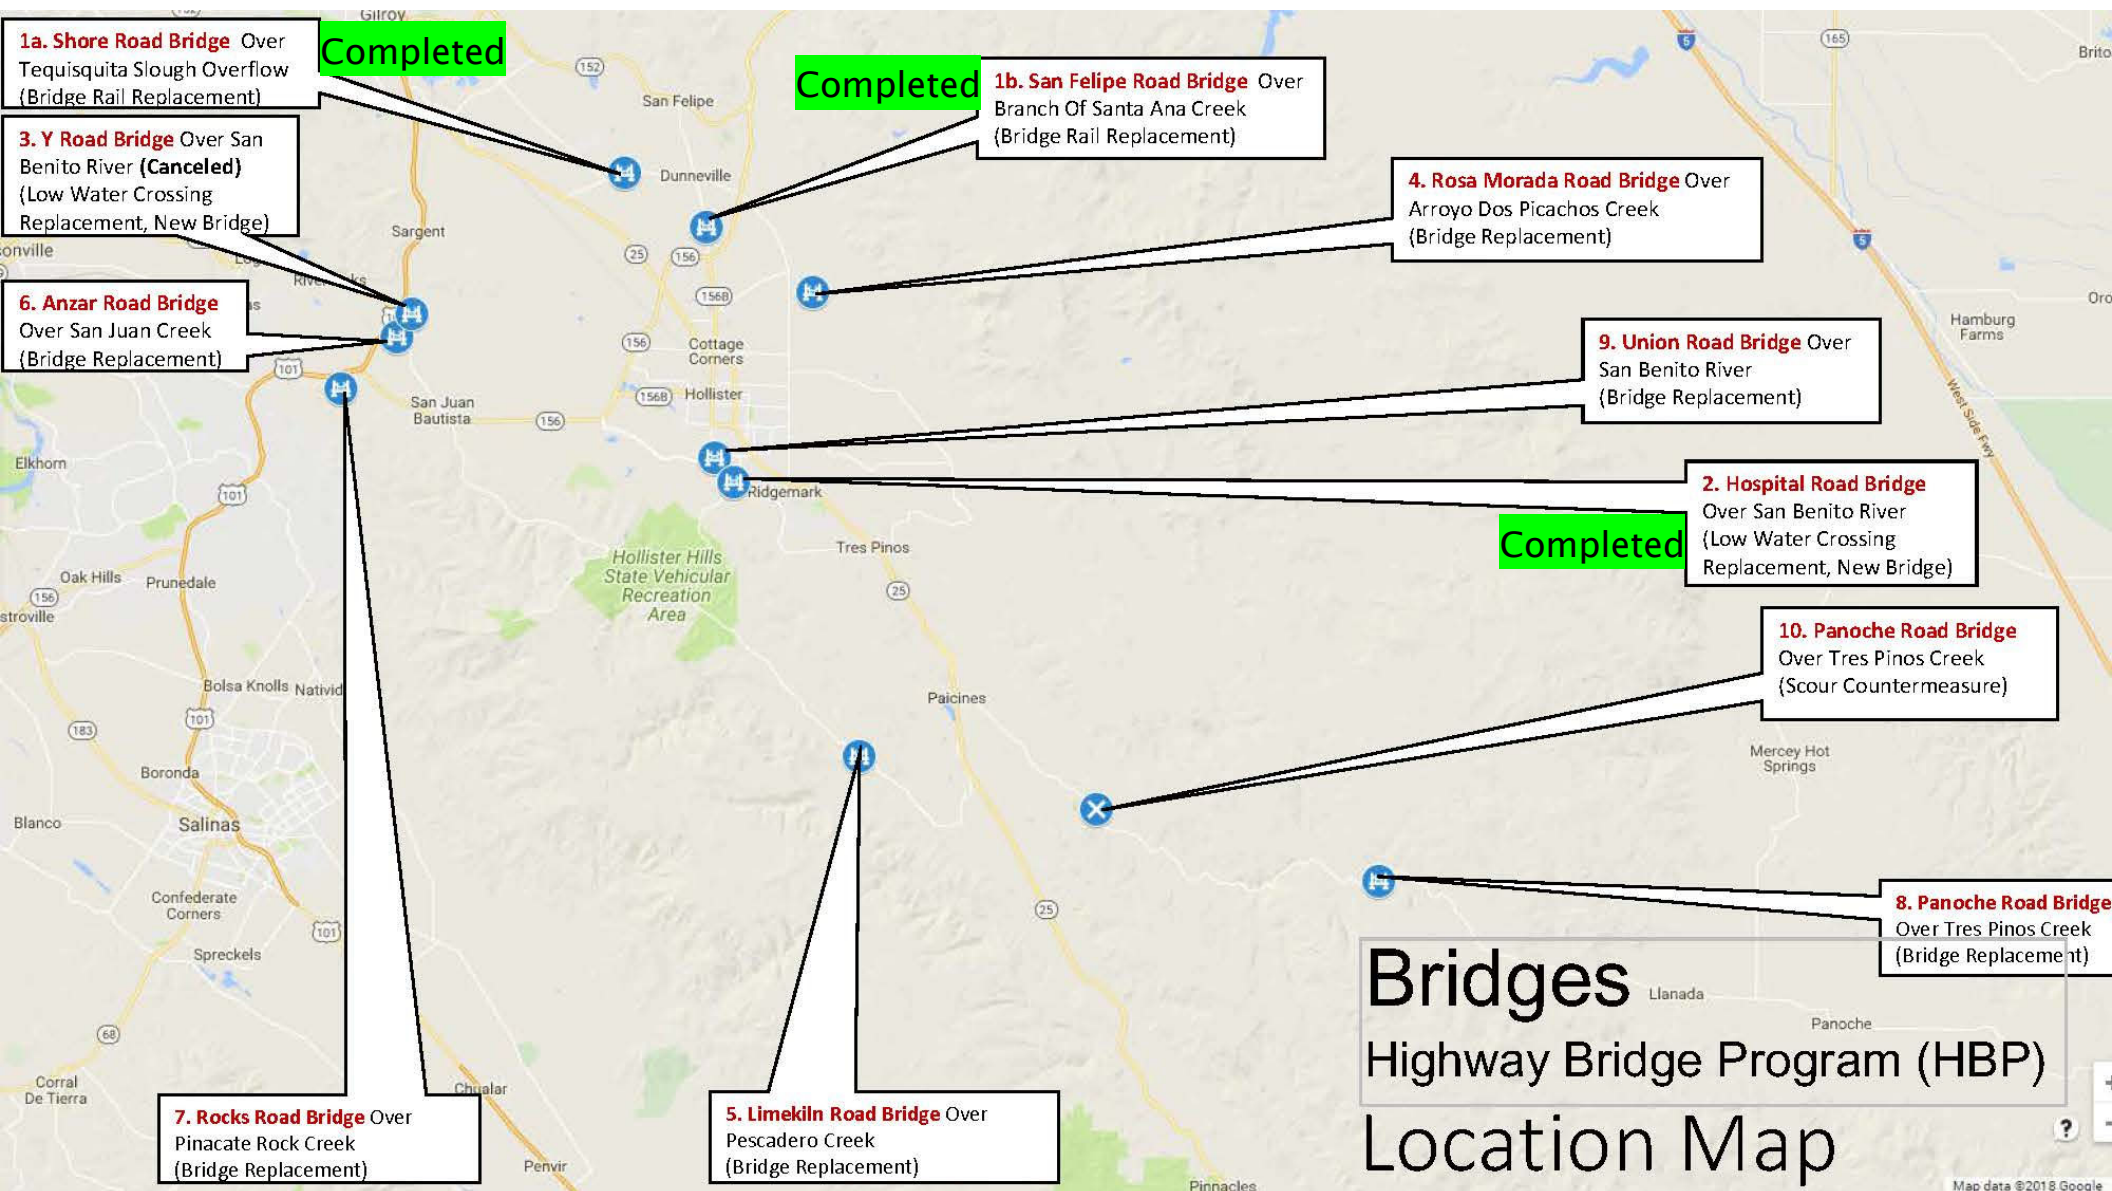

Reimbursable scopes of work include replacement, rehabilitation, painting, scour countermeasure, and preventative maintenance activities.
