Scope of Services

The Child Care Bridge Program aims to increase the number of foster children successfully placed in home-based family care settings, increase capacity of child care programs to meet the needs of foster children in their care, and maximize funding to support the child care needs of eligible families.

CONTRACTOR:

The Bridge Program consists of three components:

1. **Emergency child care voucher or payment:** Eligible families may receive a time-limited child care voucher or payment to help pay for child care costs for foster children birth through age 12, children with exceptional needs, and severely disabled children up to age 21. Contractor is authorized to disburse child care payments either directly to the family or to the child care provider. All vouchers and payments, whether paid directly to the family or child care provider, must be in accordance with the Regional Market Rate (RMR) ceilings for subsidized child care payment rates. The California Code of Regulations, Title 5, Division 1, Chapter 19, Subchapter 2.5, Sections 18074 to 18076.3 provide guidance regarding the use of the RMR ceilings. The ceilings for subsidized child care payment rates are available at: <http://www3.cde.ca.gov/rcscc/>.

2. **Child care navigator:** The Contractor will provide a child care navigator to eligible families. The navigator will assist with finding a child care provider, securing a subsidized child care placement if eligible, completing child care program applications, and developing a plan for long-term child care appropriate to the child's age and needs. Eligibility for navigator services shall not be contingent on a child's receipt of a child care payment or voucher.

3. **Trauma-informed care training and coaching:** Child care programs participating in the Bridge Program will receive access to trauma-informed care training. The training includes, but is not limited to, infant and toddler development and research-based, trauma-informed best care practices. Child care providers will also receive access to coaching, through the Contractor, to assist them in applying training curriculum and learn strategies for working with children in foster care.

COUNTY:

Ensure collaboration between the child welfare services program and CalWORKs child care program administrators in the county to share information, identify priorities, and plan for the implementation of the Bridge Program

Determine eligibility of a child for the Bridge Program using the criteria outlined below. Families eligible for a child care Bridge Program payment include:

- Resource families and families that have a child placed with them in an emergency or for a compelling reason;
- Licensed foster family homes or certified family homes;
- Approved homes of relatives or nonrelative extended family members; and
- Parents under the jurisdiction of the juvenile court, including, but not limited to non-minor dependent parents.

Ensure the payment or voucher is in an amount commensurate with the RMR ceiling payment rates;

Take the necessary steps to maximize funding from local, state, and federal sources. Counties are reminded of responsibilities related to monitoring the use of Title IV-E and other federal funds in County Fiscal Letter (CFL) No. 16/17-75, dated June 20, 2017; and

CONTRACTOR further covenants that, in the performance of this contract, no subcontractor or person having such an interest shall be used or employed. CONTRACTOR certifies that no one who has or will have any financial interest under this contract is an officer or employee of COUNTY.

C-10. COMPLIANCE WITH APPLICABLE LAWS.

CONTRACTOR shall comply with all applicable federal, state and local laws now, or hereafter, in force, and with any applicable regulations, in performing the work and providing the services specified in this contract. Waiver by either party of a breach of any covenant of this contract will not be construed to be a continuing waiver of any subsequent breach. COUNTY's receipt of consideration with knowledge of CONTRACTOR's violation of a covenant does not waive its right to enforce any covenant of this contract. The parties shall not waive any provisions of this contract unless the waiver is in writing and signed by all parties.

CONTRACTOR and CONTRACTOR's signatory each warrant and represent that each has full authority and capacity to enter into this contract.

The exercise of any single right, option, election, power or remedy shall not, in any way, impair any other right, option, election, power or remedy until all duties and obligations imposed shall have been fully performed.
