Taven and Richard,

I am following up on your conversation with Gail yesterday. As confirmed by Gail, although the PC was prepared to approve the project upon receiving the necessary draft findings from you, the project was continued to December 5th to allow time for County officials and the applicant to work with city staff on a sewer line extension. The applicant has actively pursued this discussion with the City and is considering the various options and alternatives that may be available to him.

We therefore are requesting a continuance from the Planning Commission to a date uncertain to pursue this avenue further.

Sincerely,

Anthony Lombardo
