

December 31, 2018

Dear Mark,

I have had several health complications recently and I feel I need to resign from the Planning Commission as of today. My recovery has been slow but when I regain my health I would appreciate the opportunity to once again serve the County of San Benito.

Thank you for giving me the occasion to serve my county as your representative.

Respectfully,

A handwritten signature in dark ink, appearing to read 'Mark Tognazzini', written in a cursive style.
