Notes: V3 corrects electrical line item(s)

V2 updated end panel and slope top counts based on tentative layout. Also adds optional line item for modular electrical components.

V1 quote is for (3) 24W Personnel wardrobe lockers w/ extended base drawers, bench top, slope tops and modular electrical system. Quote generated on quantity request only. No floor plans provided at time of quote. Some line items subject to change. Quote does not include installation.

LIMITED WARRANTY

Tiffin Metal Products, Co. (TMP) warrants the good quality of the materials, workmanship and that its products are merchantable and fit for their intended purpose. This Limited Warranty for the Sentinel® Locker Line expires of five (5) years after the date of product purchase. TMP does not provide any other express or implied warranties of any kind or nature. There are no warranties which extend beyond the description on the face of this Limited Warranty. The terms, conditions and operations of this Limited Warranty are available upon request prior to purchase.

Line #	Part Number	Product	Description	Qty	UOM	Unit Price	Ext. Price
--------	-------------	---------	-------------	-----	-----	------------	------------

Lead time: estimated at 10-12 weeks.

Freight: 1 FTL to Hollister, CA 95023. Freight does not include lift gate service or unloading. Freight rates are held for 30 days and subject to change due to volatility in the freight industry. Customers are welcome to source their own freight. See Tiffin Metal sales for freight requirement for your project.

Dealers/Sub/GC/customer should carefully review quotation as it is for items and quantities listed on the quote. Quote is based off of manufacturer's take off using projects documents supplied or made available. Final accuracy of the locker types, sizes, counts and acceptability per the project requirements is the responsibility of the quote recipient.
