

CONNECT 2019 | DALLAS, TX | APRIL 7-10, 2019

Fueling Connected Communities at Connect 2019

Tyler is invested in delivering technology that seamlessly connects data, people, and processes, making local governments and schools work better so every community thrives. Join us in Dallas, TX at the Kay Bailey Hutchison Convention Center and Omni Dallas Hotel for this year's Connect!

Four Great Reasons to Join Us

GAIN KNOWLEDGE

Choose from hundreds of classes, workshops, and in-depth training sessions that will give you new and innovative tools to help make your job easier. Many of our classes are approved for continuing professional education (CPE) credits for career advancement. And don't forget to carve out some time to visit one of our Solution Hubs to share ideas, see new products, and learn new ways to achieve your goals.

MAKE CONNECTIONS

Tyler Connect provides you with networking opportunities at all levels. Whether you want to talk to people from your region, connect with those from similar agencies, or exchange practical product use ideas — you can find and fuel these relationships at Connect.

SHARE A VISION

At Tyler, we imagine a world where all city, county, and regional government services are connected within a healthy digital infrastructure. Connecting data, processes, and people makes communities safer, smarter, and more responsive to the needs of residents.

BE INSPIRED

What better way to celebrate an event in Texas than to hear from its most famous resident! We are honored to welcome the 43rd President of the United States George W. Bush as our keynote speaker. Whether he is speaking about his current advocacy efforts with education and human rights or telling humorous stories about being raised in Texas by his equally famous parents, you are sure to come away with thought-provoking ideas and inspiration. Join us Tuesday, April 9 at 8:00 a.m. for this historic event.
