Hi Janet,

Would you be able to direct me to whom I would ask to see if the County would be able to create official certificates for the honorees at this year's dinner dance? We would appreciate it very much!

Also, I have extended an invitation to our County Supervisors and I was hoping to find out if by chance you had insight on to who might be planning on attending and presenting the official certificates on behalf of the County. I would like to ensure I have the correct information in the program to recognize our local leaders.

Thank you for your help.

Kind regards,

Michelle Leonard
