By signing above I acknowledge that I am the Customer's authorized officer or agent and that I have the authority to bind Customer to this Agreement. Customer agrees to be bound by these terms and conditions and comply with Stericycle's Waste Acceptance Policy, both of which are integral parts of this Agreement.

TERMS AND CONDITIONS

Stericycle, Inc., a Delaware corporation, with offices at 28161 N. Keith Drive, Lake Forest, IL 60045 (collectively, "Stericycle"), and San Benito County Integrated Waste Management with offices at 2301 Technology Pkwy, Hollister, CA 95023 ("Customer"), hereby enter into and agree as provided in this Services Agreement (the "Agreement") dated as of the 1 day of July, 2019 (the "Effective Date").

1. **Services.** (a) Stericycle will provide Customer the services set forth on page 1 of this Agreement (the "Services") which are incorporated herein and made a part of this Agreement. (b) Customer shall be liable for and shall indemnify, defend and hold harmless Stericycle from and against all demands, claims, actions, losses, damages, and expenses, including reasonable attorney fees resulting from any Non-Conforming Waste (defined below) or Customer's failure to properly store, package, label, or segregate RMW. (c) All lab wastes or materials that contain or have the potential to contain infectious substances arising from any agents listed under 42 CFR 72.3 are prohibited from inclusion among RMW to be collected and must be pretreated by Customer prior to disposal. (d) The current version of the Stericycle Waste Acceptance Policy ("WAP") is attached. Stericycle may periodically update the WAP. (e) During the Term, Stericycle shall be the exclusive provider of the Services to Customer at all of its locations, and Customer shall use no other RMW disposal service, method or service provider, whether at the service location(s) set forth herein or at any other current or future location(s) of Customer. As used herein, "Non-Conforming Waste" means any substance, waste or container that is excluded, not accepted or non-conforming under the WAP or otherwise cannot be accepted by Stericycle under any applicable law, rule or regulation. (f) Stericycle may bill additional charges for each non-compliant container (overweight under applicable laws, rules or regulations; each container exceeding 50 lbs; containers holding non-conforming waste; and containers where the waste is improperly segregated or packaged) provided by Customer.

2. **Term of this Agreement.** (a) The initial term of this Agreement (the "Initial Term") will begin on the Effective Date set forth above and continue for Twelve (12) months. This Agreement will automatically renew for successive terms of month to month (each, an "Extension Term"), unless either party gives the other party at least 60 days' written notice, prior to the renewal date, of its request to terminate this Agreement. The Initial Term and each Extension Term, if any, are collectively referred to as the "Term". (b) Upon the expiration or termination of this Agreement, Customer shall pay Stericycle all amounts due for services and products provided prior to the expiration or termination (and any other amounts due to Stericycle, which may include a final pickup fee). (c) Stericycle shall have the right to retrieve its Equipment (defined below) from Customer wherever located.

3. **Pricing.** Customer shall pay to Stericycle the service fees set forth on page 1 ("Service Fees"). Stericycle may adjust the Service Fees to cover non-controllable costs, including but not limited to taxes, fuel and regulatory fees annually in accordance with the percentage listed on page 1.

4. **Payment Terms.** Customer shall pay in full each Stericycle invoice within 30 days of the date of such invoice. Any invoiced amounts not received by Stericycle within that timeframe will be subject to an interest charge of 1.5% per month (or the maximum amount allowed by law). Customer shall reimburse Stericycle for all costs that it incurs in collecting overdue amounts from Customer. Stericycle may, with notice, suspend services until any overdue amounts (plus interest charges and collection fees, if any) are paid. Customer shall also pay all taxes imposed by any governmental authority with respect to the purchase of any services and products hereunder, including all sales, use, excise, occupation, franchise and similar taxes and tax-like fees and charges (but excluding all taxes on Stericycle's net income). Stericycle will cooperate with Customer to determine the applicability of exemption certificates, if any, that Customer provides in a timely manner to Stericycle.

5. **Early Termination.** In the event that Customer terminates this Agreement prior to the expiration of the Term other than as set forth in Section 6 Customer shall promptly pay Stericycle (a) all unpaid invoices and any late charges thereon; and (b) an amount equal to 50% of Customer's average monthly charge multiplied by the number of months (including any partial months) remaining until the expiration date of the Term.

6. **Default and Early Termination for Cause.** Either party may immediately terminate this Agreement, in whole or in part, upon written notice to the other party if the other party breaches any material provision of this Agreement and fails to cure such breach within thirty (30) days following receipt of written notice of such breach. Documented service or performance deficiencies by Stericycle or nonpayment by Customer of amounts rightfully owed to Stericycle or Customer's failure to comply with Stericycle policies related to the Services shall constitute a material breach.

7. **Limitation of Liability.** In no event shall either party be liable for any indirect, exemplary, punitive, special, incidental or consequential damages, or lost profits, lost revenue, lost business opportunities or the cost of substitute items or services under or in connection with this Agreement.

8. **Compliance Materials; Confidentiality.** To the extent that Stericycle provides Customer with electronic or printed materials ("Compliance Materials"), it provides these subject to a limited license to Customer to use Compliance Materials for its own, non-commercial use. Stericycle may revoke this license at any time. Customer may not copy or distribute Compliance Materials or use or republish Compliance Materials for or to any third party or audience. Customer agrees to return all Compliance Materials to Stericycle at Customer's expense at the expiration or termination of this Agreement. Stericycle may charge Customer a fee for failure to return Compliance Materials. Customer agrees to not disclose to any third parties Stericycle pricing, policies and procedures.

9. **Compliance with Laws and Policies.** Each party shall comply with all laws, rules and regulations applicable to its performance hereunder. Stericycle and Customer shall keep adequate books, records and documentation as required by applicable laws, rules, regulations and guidelines pertaining to storage or handling of RMW and the Services hereunder. Customer shall comply with the WAP applicable to the Services.

10. **Excuse of Performance.** Neither party will be responsible if its performance of any act(s) required hereunder (other than the payment of any amounts due) is interrupted or delayed due to any reason beyond its reasonable control.

11. **Equipment.** Customer shall have the care, custody and control of any containers and other equipment owned by Stericycle and placed at Customer's premises ("Equipment") and accepts responsibility and liability for the Equipment and its contents. Any damage or loss to such Equipment, other than normal wear and tear, will be charged to Customer at full replacement value.

12. **Waste Brokers.** Stericycle reserves the right to deal solely with the Customer and not with any third party agents of the Customer for all purposes relating to this Agreement. Customer represents and warrants to Stericycle that it is the medical waste generator and is acting for its own account and not through a broker or agent. Stericycle shall be entitled to terminate this agreement and seek all available legal remedies, including but not limited to liquidated damages, in the amount set forth herein for Customer's breach of this representation and warranty.

13. **Miscellaneous.** (a) This Agreement constitutes the entire agreement between the parties relating to the subject matter of this Agreement and supersedes any prior agreements and arrangements between the parties. (b) This Agreement may be modified only by a written amendment signed by an authorized representative of each party. (c) This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, legal representatives and heirs; provided, however, that Customer may not assign its rights or delegate its obligations under this Agreement without the prior written consent of Stericycle. (d) Stericycle's relationship with Customer is that of an independent contractor, and nothing in this Agreement shall be construed to designate Stericycle as an employee, agent or partner of or a joint venture with Customer. (e) Any dispute arising in connection with or relating to this Agreement or between the parties ("Disputes") that the parties are unable to resolve informally, such as via discussion and negotiation between the parties, shall solely and exclusively be resolved by binding and final arbitration before the American Arbitration Association ("AAA"), conducted pursuant to the Federal Arbitration Act (as the parties acknowledge that the services provided involve interstate commerce). All Disputes will be determined on an individual basis (and not as a class member or in any purported class or representative capacity, considered unique as to its facts, and shall not be consolidated in any arbitration or other proceeding with any claim or controversy of any other party, and the arbitrator or trier of fact shall not preside over any form of representative or class proceeding. The exclusive jurisdiction and forum for resolution of any Dispute shall be by arbitration, which shall take place in the state where Customer is located at the closest AAA office. (f) The failure of either party to insist upon the performance of any provision hereof, or to exercise any right granted under any provision hereof, will not be construed as waiving that provision or any other provision, and the provision will continue in full force and effect. (g) No term or condition contained in a Customer purchase order or any other invoice acknowledgment shall be binding upon Stericycle unless agreed to by Stericycle in writing. (h) Each provision of this Agreement must be interpreted in a way that is valid under applicable law. If any provision is held invalid, the rest of the Agreement will remain in full force and effect. (i) The failure of either party to insist upon the performance of any provision hereof, or to exercise any right granted under any provision hereof, will not be construed as waiving that provision or any other provision, and the provision will continue in full force and effect. All waivers must be in writing and signed by the party waiving its rights (j) Except as otherwise set forth herein, this Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to the conflict of law provisions.

Regulated Medical Waste Acceptance Policy

Stericycle policy requires compliance with all applicable regulations regarding the collection, transportation and treatment of regulated medical waste. Federal Department of Transportation (DOT) Regulations require the generator of regulated medical waste to certify that the packaging and documentation of transported regulated medical waste complies with DOT regulations regarding waste classification, packaging, labeling and shipping documentation. To ensure that neither Stericycle nor the generator of regulated medical waste violates applicable regulations, it is imperative that all parties understand the rules regarding proper identification, classification, segregation and packaging of regulated medical waste. The purpose of this policy is to summarize the minimum requirements for preparing your medical waste for collection, transportation and treatment. Additional facility or state-specific waste acceptance policies may apply based on permit specifications. Please contact your local representative for further information or email customer@stericycle.com.

REGULATED MEDICAL WASTE

Stericycle accepts medical waste generated in a broad range of medical, diagnostic, therapeutic and research activities. The term "medical waste" includes biohazardous, biomedical, infectious or regulated medical waste as defined under federal, state or local laws, rules, regulations and guidelines. Except as defined by specific state regulations, this **excludes** RCRA hazardous waste pharmaceuticals, all DEA scheduled drugs including *controlled substances, bulk chemotherapy, waste containing mercury or other heavy metals, batteries of any type, cauterizers, non-infectious dental waste, chemicals such as solvents, reagents, corrosives or ignitable materials classified as hazardous waste under Federal and State EPA Regulations. In addition, Stericycle **cannot accept** bulk liquids, radioactive materials, or complete human remains (including heads, full torsos and fetuses). Stericycle **cannot accept** these excluded materials packaged as regulated medical waste. All lab wastes or materials which contain or have the potential to contain infectious substances arising from those agents listed under 42 CFR Part 73 (HHS), 7 CFR Part 331 (USDA-Plant Protection and Quarantine), and 9 CFR Part 121 (USDA-Veterinary Services) are strictly prohibited from medical waste by federal law and must be pretreated prior to disposal. Separate protocol and packaging requirements apply for the disposal of non-hazardous pharmaceuticals. Hazardous waste transportation services may be offered in certain geographical locations, under separate contract. Please contact your local representative for details and packaging specifications.

** Un-dispensed from DEA Registrant*

WASTE SEGREGATION AND PACKAGING

The generator is solely responsible for properly segregating, packaging and labeling of regulated medical waste. Proper segregation and packaging reduces the potential for accidental release of the contents and exposure to employees and the general public. DOT regulations require (49 CFR 173.197) that all packages of regulated medical waste be prepared for transport in containers meeting the following requirements: 1) rigid; 2) leak resistant; 3) impervious to moisture; 4) of sufficient strength to prevent tearing or bursting under normal conditions of use and handling; 5) sealed to prevent leakage during transport; and 6) puncture resistant for sharps. All regulated medical waste must be accompanied by a properly completed shipping document (See 49 CFR 172.202).

MANAGEMENT OF NON-CONFORMING WASTE

As required by regulation and company policy, Stericycle employees may refuse containers that are non-conforming because of their contents or are improperly packaged, leaking, damaged or likely to create a risk of exposure to employees or the general public. Any waste found to be non-conforming to this Waste Acceptance Policy identified in route to, or at a Stericycle location, may be returned to the generator for proper packaging and disposal, or may be rerouted for appropriate destruction; this may include improperly marked regulated medical waste which should have been identified for incineration (i.e. pathological, chemotherapy or non-hazardous pharmaceuticals). Proper segregation and packaging is essential to ensure compliant and safe handling, collection, transportation and treatment of regulated medical waste.

STERICYCLE REGULATED MEDICAL WASTE ACCEPTANCE POLICY CHECKLIST

ACCEPTED REGULATED MEDICAL WASTE

- Sharps - Means any object contaminated with a pathogen or that may become contaminated with a pathogen through handling or during transportation and also capable of cutting or penetrating skin or a packaging material. Sharps includes needles, syringes, scalpels, broken glass, culture slides, culture dishes, broken capillary tubes, broken rigid plastic, and exposed ends of dental wires.
- Regulated Medical Waste or Clinical Waste or (Bio) Medical Waste - Means a waste or reusable material derived from the medical treatment of an animal or human, which includes diagnosis and immunization, or from biomedical research, which includes the production and testing of biological products.

ACCEPTED REGULATED MEDICAL WASTE WHICH MUST BE IDENTIFIED AND SEGREGATED FOR INCINERATION

- Trace Chemotherapy Contaminated Waste - RCRA Empty drug vials, syringes and needles, spill kits, IV tubing and bags, contaminated gloves and gowns, and related materials as defined in applicable laws, rules, regulations or guidelines.
- Pathological Waste - Human or animal body parts, organs, tissues and surgical specimen (decanted of formaldehyde, formalin or other preservatives as required per hazardous waste rules).
- Non-RCRA Pharmaceuticals - Must be characterized and certified as non-RCRA hazardous material by the generator. Excludes all DEA scheduled drugs, including controlled substances*.
- **California Only** - Solidified Suction Canisters - Suction canisters that have been injected with solidifier materials to control liquids or suction canisters made of high heat resistant plastics such as polysulfone.

OTHER REGULATED MEDICAL WASTES NOT ACCEPTED AS REGULATED MEDICAL WASTE BY STERICYCLE

- Untreated Category A Infectious Substances
- Complete Human Remains (including heads, full torsos, and fetuses)
- Bulk Chemotherapy Waste
- Mercury-Containing Dental Waste - Non-contact and contact amalgam and products, chairside traps, amalgam sludge or vacuum pump filters, extracted teeth with mercury fillings and empty amalgam capsules
- Any Mercury Containing Material or Devices - Any mercury thermometers, Sphygmomanometers, lab or medical devices
- RCRA Hazardous Pharmaceutical Waste and all DEA Federal and State Controlled Substances*
- Chemicals - Formaldehyde, formalin, acids, alcohol, waste oil, solvents, reagents, fixer developer, fluorescein
- Compressed Gas Cylinders, Canisters, Inhalers and Aerosol Cans
- Hazardous or Universal Waste - any other waste determined by Federal or State EPA regulations including but not limited to batteries, bulbs, heavy metals, etc.
- Radioactive Waste - Any container with a radioactivity level that exceeds regulatory or permitted limits; lead-containing materials

**Consult Stericycle Representative for specific requirements*

Additional waste acceptance policies may apply based on state or permit specific requirements. Hazardous waste transportation services may be offered in certain geographical locations, under separate contract. Please refer to your local Stericycle Representative for additional information and options for possible hazardous waste handling. For additional information on container and labeling requirements contact our Stericycle Customer Service Department at customer@stericycle.com.

TERMS & CONDITIONS

1. Regulated Medical Waste Services (a) Stericycle, Inc. shall collect, transport, treat and dispose of all Regulated Medical Waste (except Non-Conforming Waste) generated by Customer during the term of this Agreement. (b) Responsibility for transportation of Regulated Medical Waste collected from Customer shall transfer and vest in Stericycle at the time it is loaded onto Stericycle's vehicle. Customer shall have title to Regulated Medical Waste at all prior times. Customer shall hold title to any Non-Conforming Waste at all times, whether refused for collection or returned to the customer for proper disposal after collection. All Regulated Medical Waste must be accompanied by a properly completed shipping document pursuant to 49 CFR 172.202 (Manifest). (c) Stericycle employees may refuse containers that are determined to be Non-Conforming Waste as identified in the Waste Acceptance Policy (WAP). Customer shall place only "Regulated Medical Waste" as defined by 49 CFR 173.134 or by any other federal, state and local regulations. (d) Customer represents and warrants that i) the waste presented for disposal will not contain any "hazardous", "toxic", "radioactive" or Non-Conforming Wastes as defined by all applicable laws, regulations and the WAP, ii) the waste strictly conforms to Stericycle's WAP and their local laws and regulations concerning Regulated Medical Waste and iii) they have reviewed the attached WAP and its complete definitions and requirements. (e) Customer shall be liable for any and all injuries, losses and damages resulting from Non-Conforming Waste. (f) All lab wastes or materials which contain or have the potential to contain infectious substances arising from those agents listed under 42 CFR 72.3 are strictly prohibited from medical waste by federal law and must be pretreated prior to disposal. (g) Further definitions are included under the current WAP, which is attached and made a part of this Agreement and specifically incorporated herein. Stericycle reserves the right to change the WAP at any time to ensure compliance with applicable laws or regulations. A copy of Stericycle's WAP may also be obtained from your local Stericycle representative.

2. Term and Pricing Subject to the provisions below, the term ("Term") of this Agreement shall be Twelve (12) months from the Effective Date. (a) Customer shall have the option to renew for successive terms equal to the original Term (each an "Extension Term") provided Customer sends written notice to Stericycle at least sixty (60) days prior to each renewal date of its intention to renew. All Extension Terms shall be subject to the terms and conditions hereunder. (b) The current pricing schedule shall be reflected on Pricing Attachment A, which shall be made a part of this Agreement and specifically incorporated herein. Stericycle reserves the right to adjust the contract price to account for operational changes it implements to comply with documented changes in law, to cover increases in the cost of fuel, insurance, residue disposal, or to otherwise address cost escalation. Customer and Stericycle agree that any adjustment made pursuant to this Paragraph, within each twelve (12) month period, will not exceed 4%. (c) In the event Customer terminates this Agreement prior to expiration of the term hereof (or any "Extension Term") or fails to perform any of its obligations under this Agreement, Stericycle shall have, without limitation, all rights and remedies provided at law or in equity. (d) Stericycle shall have the right to terminate this Agreement at any time by giving Customer at least sixty (60) days notice in the event that it is unable to continue performing its obligations under this Agreement due to the suspension, revocation, cancellation or termination of any permit required to perform this Agreement or in the event that a change in any law or regulation makes it impractical or uneconomical, in Stericycle's sole discretion, to continue performing this Agreement.

3. Billing Stericycle shall provide Customer with monthly, quarterly or annual invoices that are due upon receipt. Customer agrees to pay a late charge on any amounts owed to Stericycle that are more than 30 days old, at a rate equal to the lesser of 1 1/2% per month or the maximum rate permitted by law. Customer shall bear any costs that Stericycle may incur in collecting overdue amounts from Customer, including, but not limited to, reasonable attorneys' fees and court costs. Should any amounts due pursuant to this Agreement remain unpaid for more than 30 days from the date of the debt's first invoice, Stericycle shall have the option, without notice to Customer, to suspend service under this Agreement until the overdue amounts (plus late charges and collection fees) are paid. In addition to Stericycle's charges for services and products under this Agreement, the Customer shall pay all taxes imposed or levied by any governmental authority with respect to such services or products. These taxes include all sales, use, excise, occupation, franchise and similar taxes and tax-like fees and charges (but do not include any taxes on Stericycle's net income). Stericycle shall cooperate with the Customer to determine the applicability of any exemption certificates that the Customer provides to Stericycle in a timely manner. Notwithstanding any limit to adjust the contract price, Stericycle reserves the right to further adjust the amounts payable and due to Stericycle for fees including, but not limited to environmental protection, compliance, waste management, or safety. In the

event that Stericycle suspends services under this Agreement for any reason, including the expiration or termination of this Agreement or Customer's breach (see 2(c), above), Stericycle may remove all containers belonging to it from Customer's premises and assess a \$50.00 pick up fee for such removal.

4. Surcharge Stericycle may also impose a surcharge in the event that Stericycle attempts to pick up waste at a Customer location (on either a scheduled pick-up or in response to a Customer request) and, through no fault of Stericycle, either (a) there is no Regulated Medical Waste for Stericycle to pick up, (b) waste is not ready for pick-up or (c) the Customer location is closed. Excess waste volumes significantly greater than average volume for similar generators or exceeding maximum allowable containers per year shall be subject to a surcharge of Customer's current container rate plus 10%, at Stericycle's discretion. Stericycle will impose this surcharge to deter abuses, including but not limited to, solid waste disposed in the medical waste stream, or Customer consolidation of the waste of several generators under one site. Stericycle may bill additional charges for each non-compliant container provided by Customer. Non-compliant containers subject to additional charges include, but are not limited to containers that are overweight under applicable laws, rules or regulations; those containers exceeding 50 lbs; containers holding non-conforming waste; and containers where the waste is improperly segregated or packaged.

5. Liability for Equipment Customer shall have the care, custody and control of containers and other equipment owned by Stericycle and placed at Customer's premises and accepts responsibility and liability for the equipment and its contents except when it is being physically handled by employees of Stericycle. Customer agrees to defend, indemnify and hold harmless Stericycle from and against any and all claims for loss or damage to property, or personal injury or death, resulting from or arising in any manner out of Customer's use, operation or possession of any containers and other equipment furnished under this Agreement. Any damage or loss to such containers and equipment, other than normal wear and tear, will be charged to Customer at full replacement value.

6. Indemnification (a) Stericycle shall indemnify and hold Customer harmless from any liabilities arising from the gross negligence or willful misconduct of Stericycle in the performance of its obligations under this Agreement. Customer shall indemnify and hold harmless Stericycle from any liabilities arising from the gross negligence or willful misconduct of Customer, which shall include, but not be limited to, failure to properly store, package, label, or segregate Regulated Medical Waste and any liabilities relating to Non-Conforming Waste, whether or not collected, transported or treated by Stericycle. Each party agrees to pay the reasonable attorneys' fees and costs incurred by the other in bringing a successful indemnification claim under this Paragraph. Customer agrees to pay Stericycle's reasonable attorney's fees incurred for any successful defense by Stericycle of a suit for indemnification brought against Stericycle by Customer. (b) Stericycle will indemnify and hold harmless any Customer who subscribes to a Preferred Program from any fine or portion thereof resulting from an OSHA citation explicitly describing a blood-borne pathogen or medical waste management practice specifically addressed only by the Preferred Program training and materials. Provided, however, that Stericycle's obligation to indemnify Customer under this sub-Paragraph (b) is contingent upon (1) Customer having followed or following each recommendation and instruction included in the Preferred Program (whether expressed verbally by employees or agents of Stericycle or as set forth in any written or electronic materials) and (2) Customer notifying Stericycle as soon as possible after it learns that it will be the subject of an OSHA inspection, and shall allow employees or agents of Stericycle to attend the inspection and to defend the Customer's blood-borne pathogen and medical waste management practices during the inspection. Customer's failure to perform any of its obligations under this sub-Paragraph (b) to Stericycle's satisfaction shall absolve Stericycle of its indemnification responsibilities under this sub-Paragraph (b). This sub-Paragraph (b) applies only to the Preferred Level Program.

7. Compliance Materials To the extent that Stericycle provides Customer with any electronic or printed materials (the "Compliance Materials") it provides these materials subject to a limited license to Customer to use the Compliance Materials for Customer's own, non-commercial use. Stericycle may revoke this license at its discretion at any time. Customer may not copy or distribute the Compliance Materials in any manner, not use or republish the Compliance Materials for or to any third party or audience, including but not limited to business/trade groups or associations, chambers of commerce, professional, fraternal or educational associations or reciprocal or cooperating service providers. Customer acknowledges the prejudice that it causes to Stericycle by violating the foregoing terms as well as the difficulty

in calculating economic damage to Stericycle as a result thereof and therefore agrees to pay to Stericycle the sum of \$5000.00 for each such violation of those terms. Customer agrees to return all Compliance Materials to Stericycle at Customer's expense at the expiration or termination of this Agreement. Stericycle may charge Customer a fee for failure to return Compliance Materials at the expiration of the Term or a restocking fee for return of materials prior to the expiration of the Term. FOR PREFERRED PROGRAM CUSTOMERS ONLY: Stericycle's OSHA Compliance Program includes: one annual on-site mock OSHA evaluation and one annual bloodborne pathogens training at a single Customer building for each site location where Regulated Medical Waste Services are provided.

8. Compliance with Laws Stericycle hereby agrees to carry General Liability, Automobile Liability, and Workmen's Compensation Insurance as required by applicable state law, and to otherwise comply with all federal and state laws, rules and regulations applicable to its performance hereunder. As of the date of this Agreement, Stericycle has all necessary permits, licenses, zoning and other federal, state or local authorizations required to perform the services under this Agreement and will furnish copies of these to Customer upon request. Customer hereby agrees to comply with all federal and state laws, rules and regulations applicable to its handling of Regulated Medical Waste and its performance under this Agreement, including, without limitation, all applicable record keeping, documentation and manifesting requirements. Customer acknowledges that Stericycle has advised Customer of the Regulated Medical Waste service frequency requirements within their state (if applicable), and Customer has determined its desired frequency independent of Stericycle's recommendation. Customer hereby agrees to indemnify and hold Stericycle harmless for any decisions around service frequency by Customer that do not comply with state regulations. Stericycle and Customer shall keep and retain adequate books and records and other documentation including personnel records, correspondence, instructions, plans, receipts, vouchers, copies of manifests and tracking records consistent with and for the periods required by applicable regulations and guidelines pertaining to storage or handling of Regulated Medical Waste and the services to be performed under this Agreement.

9. Exclusivity Customer agrees to use no other Regulated Medical Waste disposal service or method during the Term of this Agreement and any Extension Terms.

10. Excuse of Performance Stericycle shall not be responsible if its performance of this Agreement is interrupted or delayed by contingencies beyond its control, including, without limitation, acts of God, war, blockades, riots, explosion, strikes, lockouts or other labor or industrial disturbances, fires, accidents to equipment, injunctions or compliance with laws, regulations, guidelines or orders of any governmental body or instrumentality thereof (whether now existing or hereafter created).

11. Independent Contractor Stericycle's relationship with Customer pursuant hereto is that of an independent contractor, and nothing in this Agreement shall be construed to designate Stericycle as an employee, agent or partner of or a joint venture with Customer.

12. Amendment and Waiver Changes in the types, size and amount of equipment or the frequency of service may be mutually agreed to orally or in writing by the parties, without affecting the validity of this Agreement. Consent to oral changes shall be evidenced by the practices and actions of the parties. All other amendments to this Agreement (other than as provided in 2(b)) shall be effected only by a written instrument executed by the parties. No waiver shall be effective unless submitted in writing by the party granting

such waiver. No waiver of any provision of this Agreement shall be deemed a waiver of any other provision of this Agreement and no waiver of any breach or duty under this Agreement shall be deemed a waiver of any other breach or later instances of the same duty.

13. Savings Clause In case any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not effect any other provisions of this Agreement; this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein, unless such finding shall impair the rights or increase the obligations of Stericycle hereunder, in which event, at Stericycle's option, this Agreement may be terminated.

14. Entire Agreement This Agreement (including any attachments, exhibits and amendments made in accordance with Paragraph 12) constitutes the entire understanding and agreement of the parties and cancels and supersedes all prior negotiations, representations, understandings or agreements, whether written or oral, with respect to the subject matter of this Agreement. This Agreement shall be binding upon and shall inure to the benefit of the successors, assigns legal representatives and heirs of the parties hereto provided, however, that Customer may not assign its rights or delegate its obligations under this Agreement without the prior written consent of Stericycle, which consent of Stericycle may not unreasonably withhold.

15. Governing Law This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois without regard to the conflicts of laws or rules of any jurisdiction.

16. Notices All required notices, or those which the parties may desire to give under this Agreement shall be in writing and sent to the parties' addresses set forth above.

17. Originals A copy or facsimile of this Agreement shall be as effective as an original.

18. Purchase Orders Any terms or conditions contained in any Purchase Order, Purchase Order Agreement, or other invoice acknowledgment, Order by Customer or proposed at any time by Customer in any manner, which vary from, or conflict with the terms and conditions in the Stericycle Service Agreement are deemed to be material alterations and are objected to by Stericycle without need of further notice of objection and shall be of no effect nor in any circumstances binding upon Stericycle unless expressly accepted in writing. If Customer's standard purchase order form is provided to Stericycle in connection with this Agreement, the terms and conditions for that Purchase Order will be superseded by the provisions of this Agreement and the use of the purchase order shall be only to facilitate Customer's payment of fees to Stericycle. Written acceptance or rejection by Stericycle of any such terms or conditions shall not constitute an acceptance of any other additional terms or conditions.

19. Waste Brokers Stericycle reserves the right to deal solely with the Customer and not with any third party agents of the customer for all purposes relating to this Agreement. Customer represents and warrants to Stericycle that it is the medical waste generator and is acting for its own account and not through a broker or agent. Stericycle shall be entitled to terminate this agreement and seek all available legal remedies, including but not limited to liquidated damages, in the amount set forth herein for Customer's breach of this representation and warranty.

REGULATED MEDICAL WASTE ACCEPTANCE POLICY

STERICYCLE REGULATED MEDICAL WASTE ACCEPTANCE POLICY CHECKLIST

ACCEPTED REGULATED MEDICAL WASTE

- Sharps - Means any object contaminated with a pathogen or that may become contaminated with a pathogen through handling or during transportation and also capable of cutting or penetrating skin or a packaging material. Sharps includes needles, syringes, scalpels, broken glass, culture slides, culture dishes, broken capillary tubes, broken rigid plastic, and exposed ends of dental wires.
- Regulated Medical Waste or Clinical Waste or (Bio) Medical Waste - Means a waste or reusable material derived from the medical treatment of an animal or human, which includes diagnosis and immunization, or from biomedical research, which includes the production and testing of biological products.

ACCEPTED REGULATED MEDICAL WASTE WHICH MUST BE IDENTIFIED AND SEGREGATED FOR INCINERATION

- Trace Chemotherapy Contaminated Waste - RCRA Empty drug vials, syringes and needles, spill kits, IV tubing and bags, contaminated gloves and gowns, and related materials as defined in applicable laws, rules, regulations or guidelines
- Pathological Waste - Human or animal body parts, organs, tissues and surgical specimen (decanted or formaldehyde, formalin or other preservatives as required per hazardous waste rules)
- Non-RCRA Pharmaceuticals - Must be characterized and certified as non-RCRA hazardous material by the generator. Excludes all DEA scheduled drugs, including controlled substances*
- California Only - Solidified Suction Canisters - Suction canisters that have been injected with solidifier materials to control liquids or suction canisters made of high heat resistant plastics such as polysulfone

REGULATED MEDICAL WASTE NOT ACCEPTED BY STERICYCLE

- Radioactive Waste - Any container with a radioactivity level that exceeds regulatory or permitted limits; lead-containing materials

*Consult Stericycle Representative for specific requirements

Additional waste acceptance policies may apply based on state or permit specific requirements. Hazardous waste transportation services may be offered in certain geographical locations, under separate contract. Please refer to your local Stericycle Representative for additional information and options for possible hazardous waste handling. For additional information on container and labeling requirements contact our Stericycle Customer Service Department at (866) 783-7422.

Stericycle policy requires compliance with all applicable regulations regarding the collection, transportation and treatment of regulated medical waste. Federal Department of Transportation (DOT) Regulations require the generator of regulated medical waste to certify that the packaging and documentation of transported regulated medical waste complies with DOT regulations regarding waste classification, packaging, labeling and shipping documentation. To ensure that neither Stericycle nor the generator of regulated medical waste violates applicable regulations, it is imperative that all parties understand the rules regarding proper identification, classification, segregation and packaging of regulated medical waste. The purpose of this policy is to summarize the minimum requirements for preparing your medical waste for collection, transportation and treatment. Additional facility or state-specific waste acceptance policies may apply based on permit specifications. Please contact your local representative for further information. You may also call (866) 783-7422.

REGULATED MEDICAL WASTE

Stericycle accepts medical waste generated in a broad range of medical, diagnostic, therapeutic and research activities. The term "medical waste" includes biohazardous, biomedical, infectious or regulated medical waste as defined under federal, state or local laws, rules, regulations and guidelines. Except as defined by specific state regulations, this excludes RCRA hazardous waste pharmaceuticals, all DEA scheduled drugs including "controlled substances, bulk chemotherapy, waste containing mercury or other heavy metals, batteries of any type, cauterizers, non-infectious dental waste, chemicals such as solvents, reagents, cosmetics or ignitable materials classified as hazardous waste under Federal and State EPA Regulations. In addition, Stericycle cannot accept bulk liquids, radioactive materials, or complete human remains (including heads, full torsos and fetuses). Stericycle cannot accept these excluded materials packaged as regulated medical waste. All lab wastes or materials which contain or have the potential to contain infectious substances arising from those agents listed under 42 CFR 72.3 are strictly prohibited from medical waste by federal law and must be pretreated prior to disposal. Separate protocol and packaging requirements apply for the disposal of non-hazardous pharmaceuticals. Hazardous waste transportation services may be offered in certain geographical locations, under separate contract. Please contact your local representative for details and packaging specifications.

* Un-dispersed from DEA Registrant

WASTE SEGREGATION AND PACKAGING

The generator is solely responsible for properly segregating, packaging and labeling of regulated medical waste. Proper segregation and packaging reduces the potential for accidental release of the contents and exposure to employees and the general public. DOT regulations require (49 CFR 173.197) that all packages of regulated medical waste be prepared for transport in containers meeting the following requirements: 1) rigid; 2) leak resistant; 3) impervious to moisture; 4) of sufficient strength to prevent tearing or bursting under normal conditions of use and handling; 5) sealed to prevent leakage during transport; and 6) puncture resistant for sharps. All regulated medical waste must be accompanied by a properly completed shipping document (See 49 CFR 172.202).

MANAGEMENT OF NON-CONFORMING WASTE

As required by regulation and company policy, Stericycle employees may refuse containers that are non-conforming because of their contents or are improperly packaged, leaking, damaged or likely to create a risk of exposure to employees or the general public. Any waste found to be non-conforming to this Waste Acceptance Policy identified in route to, or at a Stericycle location, may be returned to the generator for proper packaging and disposal, or may be reworked for appropriate destruction, this may include improperly marked regulated medical waste which should have been identified for incineration (i.e. pathological, chemotherapy or non-hazardous pharmaceuticals). Proper segregation and packaging is essential to ensure compliant and safe handling, collection, transportation and treatment of regulated medical waste.

Without limiting CONTRACTOR's duty to indemnify COUNTY, CONTRACTOR shall comply with the insurance coverage requirements set forth in the contract and in this attachment. Those insurance policies mandated by Paragraph C-3 shall satisfy the following requirements:

- (a) Each policy shall be issued by a company authorized by law to transact business in the State of California.
- (b) Each policy shall provide that COUNTY shall be given notice in writing at least thirty (30) days in advance of any change, cancellation, or nonrenewal thereof.
- (c) The comprehensive motor vehicle and comprehensive general liability policies shall each provide an endorsement naming the County of San Benito and its officers, agents and employees as additional insureds.
- (d) The required coverage shall be maintained in effect throughout the term of this contract.

CONTRACTOR shall require all subcontractors performing work under this contract to obtain substantially the identical insurance coverage required of CONTRACTOR pursuant to this agreement.

C-3. INSURANCE COVERAGE REQUIREMENTS.

If required by paragraph 5 of the contract, CONTRACTOR shall maintain the following insurance policies in full force and effect during the term of this contract:

- (a) Comprehensive general liability insurance. CONTRACTOR shall maintain comprehensive general liability insurance, covering all of CONTRACTOR's operations with a combined single limit of not less than the amount set out in paragraph 5 of this contract.
- (b) Professional liability insurance. CONTRACTOR shall maintain professional liability insurance with liability limits of not less than the amount set out in paragraph 5 of this contract.

- (c) Comprehensive motor vehicle liability insurance. CONTRACTOR shall maintain comprehensive motor vehicle insurance covering all motor vehicles (including owned, non-owned and hired) used in providing services under this contract, with a combined single limit of not less than the amount set out in Paragraph 5 of this contract.
- (d) Workers' compensation insurance. CONTRACTOR shall maintain a workers' compensation plan covering all of its employees as required by California Labor Code Section 3700, either through workers' compensation insurance issued by an insurance company or through a plan of self-insurance certified by the State Director of Industrial Relations. If CONTRACTOR elects to be self-insured, the certificate of insurance otherwise required by this contract shall be replaced with a consent to self-insure issued by the State Director of Industrial Relations.

C-4. CERTIFICATE OF INSURANCE.

Prior to the commencement of performance of services by CONTRACTOR and prior to any obligations of COUNTY, CONTRACTOR shall file certificates of insurance with COUNTY, showing that CONTRACTOR has in effect the insurance required by this contract. CONTRACTOR shall file a new or amended certificate promptly after any change is made in any insurance policy which would alter the information on the certificate then on file. In lieu of providing proof of insurance, CONTRACTOR may provide proof of self-insurance meeting requirements equivalent to those imposed herein. CONTRACTOR warrants that CONTRACTOR's self-insurance provides substantially the same protection to COUNTY as the insurance required herein. CONTRACTOR further agrees to notify COUNTY in the event any change in self-insurance occurs that would alter the obligations undertaken in this contract within thirty (30) days of such change.

C-5. RECORDS TO BE MAINTAINED.

CONTRACTOR shall keep and maintain accurate records of all costs incurred and all time expended for work under this contract. CONTRACTOR shall contractually require that all of CONTRACTOR's subcontractors performing work called for under this contract also keep and maintain such records. All such records, whether kept by CONTRACTOR or any subcontractor, shall be made available to COUNTY or its authorized representative, or officials of the State of California for review or audit during normal business hours, upon reasonable advance notice given by COUNTY, its authorized representative, or officials of the State of California.

C-6. RETENTION OF RECORDS.

CONTRACTOR shall maintain and preserve all records related to this contract for a period of three years from the close of the fiscal year in which final payment under this contract is made. CONTRACTOR shall also contractually require the maintenance of such records in the possession of any third party performing work related to this contract for the same period of time. Such records shall be retained beyond the three-year period, if any audit involving such records is then pending, until the audit findings are resolved. The obligation to insure the maintenance of the records beyond the initial three year period shall arise only if the COUNTY notifies CONTRACTOR of the commencement of an audit prior to the expiration of the three year period.

C-7. TITLE TO DOCUMENTS; COPYRIGHT.

All reports and other materials collected or produced by the CONTRACTOR or any subcontractor of CONTRACTOR shall, after completion and acceptance of the contract, become the property of COUNTY, and shall not be subject to any copyright claimed by the CONTRACTOR, subcontractor, or their agents or employees. CONTRACTOR may retain copies of all such materials exclusively for administrative purposes. Any use of completed or uncompleted documents for other projects by CONTRACTOR, any subcontractor, or any of their agents or employees, without the prior written consent of COUNTY is prohibited.

C-8. INDEPENDENT CONTRACTOR.

CONTRACTOR and its officers and employees, in the performance of this contract, are independent contractors in relation to COUNTY and not officers or employees of COUNTY. Nothing in this contract shall create any of the rights, powers, privileges or immunities of any officer or employee of COUNTY. CONTRACTOR shall be solely liable for all applicable taxes or benefits, including, but not limited to, federal and state income taxes, Social Security taxes, or ERISA retirement benefits, which taxes or benefits arise out of the performance of this contract. CONTRACTOR further represents to COUNTY that CONTRACTOR has no expectation of receiving any benefits incidental to employment.

C-9. CONFLICT OF INTEREST.

CONTRACTOR covenants that it presently has no interest and shall not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of the services hereunder. CONTRACTOR further covenants that, in the performance of this contract, no subcontractor or person having such an interest shall be used or employed.

C-10. COMPLIANCE WITH APPLICABLE LAWS.

CONTRACTOR shall comply with all applicable federal, state and local laws now, or hereafter, in force, and with any applicable regulations, in performing the work and providing the services specified in this contract. This obligation includes, without limitation, the acquisition, and maintenance of any permits, licenses, or other entitlements necessary to perform the duties imposed expressly or impliedly under this contract.

C-11. NONDISCRIMINATION.

CONTRACTOR shall not discriminate in the employment of persons necessary to perform this contract on any legally impermissible basis, including on the basis of the race, color, national origin, ancestry, religion, age, sex, or disability of such person.

C-12. BANKRUPTCY.

CONTRACTOR shall immediately notify COUNTY in the event that CONTRACTOR ceases conducting business in the normal manner, becomes insolvent, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for its business or assets, or avails itself of, or becomes subject to, any proceeding under the Federal Bankruptcy Act or any other statute of any state relating to insolvency or protection of the rights of creditors.

C-13. PROHIBITION AGAINST ASSIGNMENT AND DELEGATION OF DUTIES.

Except as specifically authorized herein, no rights under this contract may be assigned and no duties under this contract may be delegated by CONTRACTOR without the prior written consent of COUNTY, and any attempted assignment or delegation without such consent shall be void.

C-14. NEGOTIATED CONTRACT.

This contract has been arrived at through negotiation between the parties. Neither party is to be deemed the party which prepared this contract within the meaning of California Civil Code Section 1654.

C-15. SEVERABILITY.

Should any provision herein be found or deemed to be invalid, this contract shall be construed as not containing such provision, and all other provisions which are otherwise lawful shall remain in full force and effect. To this end, the provisions of this contract are declared to be severable.

C-16. ENTIRE CONTRACT.

This contract is the entire agreement of the parties. There are no understandings or agreements pertaining to this contract except as are expressly stated in writing in this contract or in any document attached hereto or incorporated herein by reference.

C-17. TIME IS OF THE ESSENCE.

Time is of the essence in the performance of this contract.

C-18. TERMINATION.

Either party may terminate this contract, with or without cause, at any time. In order to terminate this contract, the terminating party shall give advance written notice to the other party. The termination shall be effective no earlier than the expiration of the number of days specified in paragraph 6 of this contract. The termination notice shall be made as specified in paragraph C-19, below. In the event of termination, COUNTY shall pay CONTRACTOR for all work satisfactorily performed prior to the effective date of the termination.

C-19. NOTICES.

Notices to the parties in connection with the administration of this contract shall be given to the parties' contract administrator personally, by regular mail, or by facsimile transmission as more particularly specified in this paragraph. Notices will be deemed given on:

- (a) The day the notice is personally delivered to the contract administrator or the office of the party's contract administrator; or
- (b) Five days after the date the notice is deposited in the United States mail, addressed to a party's contract administrator as indicated in this contract, with first-class postage fully prepaid; or

- (c) On the day that the notice is transmitted by facsimile to a party's facsimile number specified in paragraph 8 of this contract, provided that an original of such notice is deposited in the United States mail, addressed to a party's contract administrator as indicated in this contract, on the same day as the facsimile transmission is made.

C-20. RESPONSIBILITY OF CONTRACT ADMINISTRATORS.

All matters concerning this contract which are within the responsibility of the parties shall be under the direction of, or shall be submitted to, the respective contract administrators or to the party's employee specified, in writing, by the contract administrator. A party may, in its sole discretion, change its designation of its contract administrator and shall promptly give written notice to the other party of any such change.

C-21. MATERIALITY.

The parties consider each and every term, covenant, and provision of this contract to be material and reasonable.

C-22. WAIVER.

Waiver by either party of a breach of any covenant of this contract will not be construed to be a continuing waiver of any subsequent breach. COUNTY's receipt of consideration with knowledge of CONTRACTOR's violation of a covenant does not waive its right to enforce any covenant of this contract. The parties shall not waive any provisions of this contract unless the waiver is in writing and signed by all parties.

C-23. AUTHORITY AND CAPACITY.

CONTRACTOR and CONTRACTOR's signatory each warrant and represent that each has full authority and capacity to enter into this contract.

C-24. BINDING ON SUCCESSORS.

All of the conditions, covenants and terms herein contained shall apply to, and bind, the heirs, successors, executors, administrators and assigns of CONTRACTOR. CONTRACTOR and all of CONTRACTOR's heirs, successors, executors, administrators, and assigns shall be jointly and severally liable under this contract.

C-25. CUMULATION OF REMEDIES.

All of the various rights, options, elections, powers and remedies of the parties shall be construed as cumulative, and no one of them exclusive of any other or of any other legal or equitable remedy which a party might otherwise have in the event of a breach or default of any condition, covenant or term by the other party. The exercise of any single right, option, election, power or remedy shall not, in any way, impair any other right, option, election, power or remedy until all duties and obligations imposed shall have been fully performed.

C-26. INDEPENDENT ADVICE.

Each party hereby represents and warrants that in executing this contract it does so with full knowledge of the rights and duties it may have with respect to the other. Each party also

represents and warrants that it has received independent legal advice from its attorney with respect to the matters set forth in this contract and the rights and duties arising out of this contract, or that such party willingly foregoes any such consultation.

C-27. NO RELIANCE ON REPRESENTATIONS.

Each party hereby represents and warrants that it is not relying, and has not relied, upon any representation or statement made by the other party with respect to the facts involved or its rights or duties. Each party understands and agrees that the facts relevant, or believed to be relevant to this contract may hereunder turn out to be other than, or different from the facts now known to such party as true, or believed by such party to be true. The parties expressly assume the risk of the facts turning out to be different and agree that this contract shall be effective in all respects and shall not be subject to rescission by reason of any such difference in facts.

C-28. REDUCTION OF CONSIDERATION.

CONTRACTOR agrees that COUNTY shall have the right to deduct from any payments specified in Attachment B any amount owed to COUNTY by CONTRACTOR as a result of any obligation arising prior to, or after, the execution of this contract. For purposes of this paragraph, obligations arising prior to, or after, the execution of this contract may include, without limitation, any property tax, secured or unsecured, which tax is in arrears. If COUNTY exercises the right to reduce the consideration specified in Attachment B, COUNTY, at the time of making a reduced payment, shall give CONTRACTOR notice of the amount of any off-set and the reason for the reduction.

C-29. COUNTERPARTS.

This contract may be executed in any number of counterparts, each of which so executed shall be deemed to be an original. The counterparts shall together constitute one contract.
