Hello Taven and Arielle,

Thank you for your patience while we worked on a plan of action with our internal teams.

AT&T would like me to officially request a 60 days continuance so that we may continue to research the most viable and feasible solution to Condition #20 before we take this item to hearing again. Can you please let us know if this is acceptable to the County and push the hearing date out accordingly if it is?

Thanks!

Sara King
